

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Antonios Glagkou
DOCKET NO.: 17-42627.001-R-1
PARCEL NO.: 19-09-215-041-0000

The parties of record before the Property Tax Appeal Board are Antonios Glagkou, the appellant, by attorney George N. Reveliotis of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,125
IMPR.: \$11,391
TOTAL: \$14,516

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of frame exterior construction with 912 square feet of living area. The dwelling is approximately 60 years old. Features of the home include a concrete slab foundation and a 1-car garage. The property has a 3,473 square foot site and is located in Chicago, Lake Township, Cook County. The subject is classified as a class 2-02 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located in the subject's neighborhood code and within .33 of a mile from the subject property. The comparables are similar class 2-02 properties improved with one-story dwellings of frame or masonry exterior construction ranging in size from 800 to 951 square feet of living area. The dwellings range in age from 60 to 75 years old. One comparable has a full basement

with finished area and three comparables each have a concrete slab foundation. Two comparables each have either a 1-car or a 1.5-car garage. The comparables have improvement assessments that range from \$5,904 to \$10,737 or from \$7.38 to \$11.29 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$8,937 or \$9.80 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$14,516. The subject property has an improvement assessment of \$11,391 or \$12.49 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on eight equity comparables located in the subject's neighborhood code and three comparables are within the same block as the subject, three comparables are within .25 of a mile from the subject and one comparable is within the subject's subarea.¹ The comparables are similar class 2-02 properties improved with one-story dwellings of frame or masonry exterior construction ranging in size from 827 to 951 square feet of living area. The dwellings range in age from 60 to 63 years old. Two comparables have full unfinished basements and six comparables have concrete slab foundations. Six comparables each have a 1-car or a 2-car garage. The comparables have improvement assessments that range from \$9,403 to \$14,250 or from \$10.31 to \$15.22 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of 12 comparable properties for the Board's consideration. The Board gives less weight to the appellant's comparables and board of review comparables #3, #7 and #8 which differ from the subject in age, foundation type and/or lack a garage. The Board finds the best evidence of assessment equity to be board of review comparables #1, #2, #4, #5 and #6. These comparables are similar to the subject in location, dwelling size, design, age and features. They have improvement assessments that range from \$9,403 to \$13,412 or from \$10.31 to \$14.10 per square foot of living area. The subject's improvement assessment of \$11,391 or \$12.49 per square foot of living area is within the range established by the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

¹ The board of review's second set of four comparables were renumbered as comparables #5 through #8.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
