

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Murrel Karsh
DOCKET NO.: 17-42727.001-R-1
PARCEL NO.: 04-36-316-007-0000

The parties of record before the Property Tax Appeal Board are Murrel Karsh, the appellant, by attorney Edwin M. Wittenstein of Worssek & Vihon, in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 24,570
IMPR.: \$149,200
TOTAL: \$173,770

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of masonry exterior construction that has 6,941 square feet of living area. The dwelling was constructed in 1995. Features of the home include an unfinished basement, central air conditioning, two fireplaces and a three-car attached garage. The subject is an owner-occupied residential property. The subject property is located in Northfield Township, Cook County.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted four assessment comparables. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$193,277. In support of the subject's assessment, the board of

review submitted an analysis of four assessment comparables. Based on this evidence, the board of review requested confirmation of the subject's assessment.

The Board received correspondence from the appellant requesting the subject's assessment be reduced to reflect the Property Tax Appeal Board's decision for the prior tax year under Docket Number 16-39834.001-R-1. In that appeal, the Property Tax Appeal Board rendered a decision lowering the subject's assessment to \$173,770 based on the evidence in the record. Appellant's counsel asserted the subject is an owner-occupied residence and the 2017 tax year is the second year of the general assessment period.

Conclusion of Law

The Property Tax Appeal Board finds the subject property was the matter of an appeal before this Board the prior tax year under Docket Numbers 16-39834.001-R-1. In that appeal, the Property Tax Appeal Board rendered a decision lowering the subject's assessment to \$173,770 based on the evidence in the record. The Property Tax Appeal Board takes notice that Cook County's triennial general assessment period began in the 2016 tax year and continues through the 2018 tax year. The Board further finds section 16-185 of the Property Tax Code is controlling in this appeal. (35 ILCS 200/16-185).

Section 16-185 of the Property Tax Code provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review. (35 ILCS 200/16-185)

The Board finds this record disclosed the subject property is an owner-occupied residence. In addition, the Board finds the 2016 through 2018 tax years are within the same general triennial assessment period. The record contains no evidence showing the Board's 2016 decision was reversed or modified upon review or that the subject property sold in an arm's-length transaction establishing a different fair cash value. Applying the dictates provided in section 16-185 of the Property Tax Code (35 ILCS 200/16-185) to the Board's prior 2016 decision results in an assessment of \$173,770. The Board finds the subject's final 2017 assessment as established by the board of review was \$193,277. Considering the statutory mandates of section 16-185 of the Property Tax Code (35 ILCS 200/16-185), the Property Tax Appeal Board finds a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
