

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ron Plonis
DOCKET NO.: 17-42761.001-R-1
PARCEL NO.: 31-35-212-051-0000

The parties of record before the Property Tax Appeal Board are Ron Plonis, the appellant, by attorney Peter D. Verros, of Verros Berkshire, PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,340
IMPR.: \$3,412
TOTAL: \$5,752

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of frame exterior construction with 1,230 square feet of living area. The dwelling is approximately 65 years old. Features of the home include a concrete slab foundation and a one-car garage. The property has a 7,800 square foot site and is located in Park Forest, Rich Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four comparables that are located within the same assessment neighborhood code as the subject and from .3 of mile to 1.2 miles from the subject. The comparables are improved with class 2-03 dwellings of frame or frame and masonry exterior construction that range in size from 1,188 to 1,774 square feet of living area and range in age from 61 to 65 years old. The comparables have concrete slab

foundations, one comparable has central air conditioning, three comparables each have one fireplace, and three comparables each have a 1-car to a 2-car garage. The comparables have improvement assessments ranging from \$1,480 to \$3,331 or from \$1.25 to \$2.03 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment to \$2,017 or \$1.64 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$5,752. The subject has an improvement assessment of \$3,412 or \$2.77 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables that are located within the same assessment neighborhood code and block as the subject. The comparables are improved with one-story, class 2-03 dwellings of frame and masonry exterior construction ranging in size from 1,166 to 1,358 square feet of living area and are 65 years old. The comparables have concrete slab foundations, one comparable has a fireplace, and three comparables each have a 1.5-car garage. The comparables have improvement assessments ranging from \$3,897 to \$5,415 or from \$3.33 to \$3.99 per square foot of living area. In addition, the board of review submitted a supplemental brief along with supporting documentation regarding the recent purchase price of the subject in May 2016 and January 2018. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject. The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

As initial matter, the Board did not analyze the evidence regarding the recent sale of the subject property as this evidence does not address the appellant's assessment inequity argument.

The record contains eight equity comparables for the Board's consideration. The Board gave less weight to the appellant's comparables #2, #3 and #4 due to their larger dwelling sizes when compared to the subject. In addition, all are located over one mile from the subject.

The Board finds the best evidence of assessment equity to be appellant's comparable #1 along with the board of review comparables. These comparables have varying degrees of similarity to the subject in location, age, dwelling size, and features. These comparables have improvement assessments ranging from \$1,480 to \$5,415 or from \$1.25 to \$3.99 per square foot of living area. The subject has an improvement assessment of \$3,412 or \$2.77 per square foot of living area, which falls within the range established by the best comparables in this record. After considering adjustments to the comparables for differences when compared to the subject, the

Docket No: 17-42761.001-R-1

Board finds the subject's improvement assessment is equitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
