

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Migdalia Rodriguez
DOCKET NO.: 17-43186.001-R-1
PARCEL NO.: 19-34-401-034-0000

The parties of record before the Property Tax Appeal Board are Migdalia Rodriguez, the appellant(s), by attorney Nicholas Jordan, of Worsek & Vihon in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,750
IMPR.: \$13,971
TOTAL: \$17,721

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story, single-family dwelling of masonry construction containing 1,326 square feet of living area. The dwelling was constructed in 1969. Features of the dwelling include a full unfinished basement, one bath, and a two-car garage. The property has a 5,000 square foot site in Chicago, Lake Township, Cook County. The subject is a Class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant's appeal form states that the subject unit sold in January 2014 for \$160,000. The appellant's pleadings regarding Section IV- Recent Sale Data confirmed: the closing date; sale price; that the parties to the transaction were not related; that the subject was sold by owner; and that the subject was listed for sale on the MLS for 21 days. The appellant did not submit any

evidence supporting the sale. The appellant requested a reduction of the subject's assessed value to \$16,000.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on six equity comparables.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's combined total assessment of \$17,721 was disclosed. The subject's assessment reflects a market value of \$177,210 when applying the 2017 level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%. The subject has a total improvement assessment of \$13,971 or \$10.54 per square foot of living area. In support, the board of review submitted four equity comparables and four sale comparables. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be the board of review's comparables and the appellant's comparables #1, #2, and #4. These comparables are similar in location, amenities, age, and size. These comparables had improvement assessments that ranged from \$9.22 to \$11.84 per square foot of living area. The subject's improvement assessment of \$10.54 per square foot of living area falls within the range established by the best comparables in this record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

The appellant also contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds that the subject's sale price in January 2014 is reflective of the market value in 2014 and not the 2017 tax lien year. The 2014 sale date is too far removed in time from the January 1, 2017 lien date. Furthermore, the year the subject was sold was in a different assessment triennial than the 2017 tax year. Lastly, The appellant filed to submit any evidence supporting the 2014 sale of the subject. Based on this evidence, the Board finds a reduction in the subject's assessment is not justified based on the market data submitted into evidence.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
