

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Rigoberto Lopez  
DOCKET NO.: 17-43290.001-R-1  
PARCEL NO.: 26-06-120-039-0000

The parties of record before the Property Tax Appeal Board are Rigoberto Lopez, the appellant(s), by attorney William I. Sandrick, of Sandrick Law Firm, LLC in South Holland; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 6,880  
**IMPR.:** \$ 20,120  
**TOTAL:** \$ 27,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) after receiving a decision from the Cook County Board of Review. The instant appeal challenges the assessment for tax year 2017. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of this appeal.

**Findings of Fact**

The subject consists of two improvements. Improvement #1 is a two-story building of masonry construction with 5,250 square feet of building area. Improvement #1 is 124 years old. Features of Improvement #1 include a partial unfinished basement and a two and one-half-car garage. Improvement #2 is a two-story dwelling of frame and masonry construction with 1,520 square feet of living area. Improvement #2 is 107 years old. The property's site is 7,645 square feet, and it is located in Hyde Park Township, Cook County. Improvement #1 is classified as a class 2-12 property, and Improvement #2 is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of \$270,000 as of January 1, 2015. The appraisal states that the subject is occupied by tenants, and, therefore,

it is not owner-occupied. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$27,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing that the total assessment for the subject is \$40,964. The subject's assessment reflects a market value of \$409,640 when applying the 2017 statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment for Improvement #1, the board of review submitted information on four equity comparables, and four sale comparables. These sale comparables sold from October 2014 to June 2017 for \$370,000 to \$54,900,000, or \$70.22 to \$11,090.91 per square foot of building area, including land. In support of its contention of the correct assessment for Improvement #2, the board of review submitted information on four equity comparables, and four sale comparables. These sale comparables sold from October 2017 to October 2015 for \$225,000 to \$368,500, or \$125.00 to \$162.96 per square foot of building area, including land.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal, the value of the property must be proven by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof, and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$270,000 as of the assessment date at issue. Therefore, based on this record, the Board finds the appellant has proven, by a preponderance of the evidence, that the subject is overvalued, and that a reduction in the subject's assessment is justified. Since market value has been established, the 2017 statutory level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10.00% shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
