

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Shannon Gomez  
DOCKET NO.: 17-43477.001-R-1  
PARCEL NO.: 10-28-414-048-0000

The parties of record before the Property Tax Appeal Board are Shannon Gomez, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 4,501  
**IMPR.:** \$17,243  
**TOTAL:** \$21,744

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of masonry construction containing 1,040 square feet of living area located on a 5,456 square foot site. The property is located in Niles Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables with sale information for three of the comparables and the subject. Comparables #3 and #4 are located in the same neighborhood as the subject property and have sale dates over three years old.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$21,744. The subject's assessment reflects a market value of

\$217,440, or \$209.08 including land, when applying the level of assessment for class 2 properties of 10.00% as determined by the Cook County classification ordinance.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables with sale information for three of the comparables and the subject property. None of the comparables are located in the same neighborhood as the subject and all of the sale comparables have sale dates which are less than three years old.

In rebuttal, the appellant stated that the board of review's comparables are not located in the same neighborhood as the subject. The appellant also submitted evidence in rebuttal, which could not be considered by the Board under the Official Rules of the Property Tax Appeal Board. Section 1910.66(c) of Title 86 of the Administrative Code states: "Rebuttal evidence shall not consist of new evidence such as an appraisal or newly discovered comparable properties. A party to the appeal should be precluded from submitting its own case in chief in the guise of rebuttal evidence." 86 Ill.Admin.Code § 1910.66(c)(emphasis added). This appraisal and additional sales comparables were submitted in rebuttal, and, therefore, was not timely filed. Therefore, the Board will not consider it.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the appellant did not submit "documentation of not fewer than three recent sales of suggested comparable properties together with documentation of the similarity, proximity and lack of distinguishing characteristics of the sales comparables to the subject property." 86 Ill.Admin.Code §1910.65(c)(4). The extent of the appellant's evidence consists of comparable #1 which occurred in 2014 and the 2015 sale of the subject. The additional two sale comparables were not recent sales which occurred in 2011 and 2013. Based on this evidence, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
