

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Keysay LLC
DOCKET NO.: 17-43765.001-R-1
PARCEL NO.: 31-35-302-027-0000

The parties of record before the Property Tax Appeal Board are Keysay LLC, the appellant(s), by attorney Stephanie Park, of Park & Longstreet, P.C. in Inverness; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,593
IMPR.: \$3,207
TOTAL: \$5,800

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story, single-family dwelling of frame and masonry construction containing 1,289 square feet of living area. The dwelling was constructed in 1964. Features of the dwelling include a full unfinished basement, one and one-half baths, and a two and one-half car garage. The property has a 7,980 square foot site and is located in Richton Park, Rich Township, Cook County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted evidence showing that the subject sold on April 28, 2017 for \$65,000. The seller was disclosed as Fannie Mae a/k/a Federal National Mortgage Association. This evidence included a copy of the settlement statement and owner's affidavit attesting that the transfer was not between related corporations, the subject was listed for sale on the open market, and the

seller's mortgage was not assumed. In addition, the appellant submitted four sale comparables. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$3,550.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$9,502. The subject's assessment reflects a market value of \$95,020 or \$73.72 per square foot of living area, including land, when applying the 2017 level of assessment for class 2-03 property under the Cook County Real Property Assessment Classification Ordinance of 10%. The board of review submitted four sale comparables.

In rebuttal, the appellant's attorney stated that the board of review's evidence did not dispute the recent arm's length purchase and reaffirmed request for a reduction in the subject's assessed value.

The appellant's attorney and the board of review analyst both waived hearing and requested the decision be written on the evidence.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

In addressing the appellant's market value argument, the Board finds that the sale of the subject in April 2017 for \$65,000 is a "compulsory sale." The evidence disclosed the subject was a foreclosure sale. A "compulsory sale" is defined as:

- (i) the sale of real estate for less than the amount owed to the mortgage lender or mortgagor, if the lender or mortgagor has agreed to the sale, commonly referred to as a "short sale" and (ii) the first sale of real estate owned by a financial institution as a result of a judgment of foreclosure, transfer pursuant to a deed in lieu of foreclosure, or consent judgment, occurring after the foreclosure proceeding is complete.

35 ILCS 200/1-23. Real property in Illinois must be assessed at its fair cash value, which can only be estimated absent any compulsion on either party.

Illinois law requires that all real property be valued at its fair cash value, estimated at the price it would bring at a fair voluntary sale where the owner is ready, willing, and able to sell but not compelled to do so, and the buyer is likewise ready, willing, and able to buy, but is not forced to do so.

Board of Educ. of Meridian Community Unit School Dist. No. 223 v. Illinois Property Tax Appeal Board, 961 N.E.2d 794, 802, 356 Ill.Dec. 405, 413 (2d Dist. 2011) citing Chrysler Corp. v. Illinois Property Tax Appeal Board, 69 Ill.App.3d 207, 211 387 N.E.2d 351 (2d Dist. 1979)).

However, the Illinois General Assembly recently provided very clear guidance for the Board with regards to compulsory sales. Section 16-183 of the Illinois Property Tax Code states as follows:

The Property Tax Appeal Board shall consider compulsory sales of the comparable properties for the purpose of revising and correcting assessments, including those compulsory sales of comparable properties submitted by the taxpayer.

35 ILCS 200/16-183. Therefore, the Board is statutorily required to consider the compulsory sale of comparable properties submitted by the parties to revise and/or correct the subject's assessment.

The evidence submitted disclosed the subject's sale was a compulsory sale. In determining the fair market value of the subject property, the Board looks to the evidence presented by the parties. The Board finds the appellant's comparables set the range of market value for the subject. The comparables sold from May 2015 to August 2015 prices ranging from \$27.52 to \$45.76 per square foot of living area, including land. These comparables are similar in sale date, age, construction, and location. The subject's assessment reflects a market value of \$73.72 per square foot of living area, including land, which is above the range established by the best comparable sales in this record. Accordingly, in determining the fair market value of the subject property, the Board finds that the appellant did submit sufficient evidence to show the subject was overvalued. Therefore, the Board finds that the appellant has met its burden by a preponderance of the evidence and that the subject does warrant a reduction based upon the market data submitted into evidence.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
