

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Syed Noor  
DOCKET NO.: 17-44336.001-R-1  
PARCEL NO.: 10-27-106-031-0000

The parties of record before the Property Tax Appeal Board are Syed Noor, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$4,566  
**IMPR.:** \$18,254  
**TOTAL:** \$22,820

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1.5-story dwelling of frame and masonry exterior construction with 1,570 square feet of living area. The dwelling is 70 years old. Features of the home include a full unfinished basement, central air conditioning, a fireplace, and a two-car garage. The property has a 5,535 square foot site and is located in Skokie, Niles Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales that have the same neighborhood code as the subject. The comparables have sites ranging in size from 3,125 to 5,625 square feet of land area and are improved with class 2-03 dwellings of masonry or frame exterior construction that range in size from 1,047 to 1,336 square feet of living area. The dwellings are 62 years old.

Each comparable has a full basement with one having finished area, one comparable has central air conditioning, one comparable has a fireplace, and each comparable has a one-car or a two-car garage. The sales occurred from March 2016 to November 2017 for prices ranging from \$120,000 to \$162,500 or from \$114.52 to \$121.63 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$22,820. The subject's assessment reflects a market value of \$228,200 or \$145.35 per square foot of living area, including land, when applying the 10% level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales that have the same neighborhood code as the subject. The comparables have sites that range in size from 7,049 to 7,480 square feet of land area and are improved with class 2-03 dwellings of masonry exterior construction that range in size from 1,674 to 1,757 square feet of living area and range in age from 59 to 67 years old. The comparables each have a partial or a full basement with two having finished area and central air conditioning. Two comparables each have a fireplace and three comparables have either a one-car or a two-car garage. The sales occurred from October 2015 to May 2017 for prices ranging from \$250,000 to \$330,000 or from \$142.29 to \$194.58 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight comparable sales for the Board's consideration. The Board gave less weight to the appellant's comparables #1, #2 and #3 due to their smaller dwelling sizes when compared to the subject and other comparables in the record. The Board gave less weight to board of review comparables #2 and #4 as their sales occurred in 2015, less proximate in time to the January 1, 2017 assessment date, and therefore, they were less likely to be reflective of the subject's market value as of the lien date.

The Board finds the best evidence of market value to be the appellant's comparable #4 and board of review comparables #1 and #3. These comparables sold proximate in time to the January 1, 2017 assessment date and are similar to the subject property in location, age, dwelling size and some features. These comparables sold from May 2016 to May 2017 for prices ranging from \$162,500 to \$325,000 or from \$121.63 to \$194.15 per square foot of living area, including land. The subject's assessment reflects a market value of \$228,200 or \$145.35 per square foot of living area, including land, which falls within the range established best the comparable sales in this record. After considering adjustments to the best comparable sales for differences when

compared to the subject, the Board finds the subject's estimated market value as reflected by the assessment is supported, and therefore, a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
