

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Fred Fortenberry  
DOCKET NO.: 17-44360.001-R-1  
PARCEL NO.: 32-11-111-011-0000

The parties of record before the Property Tax Appeal Board are Fred Fortenberry, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$2,843  
**IMPR.:** \$9,893  
**TOTAL:** \$12,736

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a multi-level dwelling of masonry exterior construction with 1,592 square feet of living area. The dwelling is approximately 47 years old. Features of the home include a partial basement with finished area, central air conditioning, and a two-car garage. The property has an 8,124 square foot site and is located in Glenwood, Bloom Township, Cook County. The subject is classified as a class 2-34 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales that have the same neighborhood code as the subject. The comparables have sites ranging in size from 7,140 to 8,062 square feet of land area and are improved with class 2-34 dwellings of frame and masonry exterior construction that range in size from 1,151 to 1,628 square feet of living area. The dwellings are 46 years old.

The comparables have partial basements with finished area. Two comparables have central air conditioning, one comparable has a fireplace and each comparable has a two-car garage. The sales occurred from November 2015 to March 2017 for prices ranging from \$65,099 to \$130,000 or from \$44.08 to \$89.92 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$14,952. The subject's assessment reflects a market value of \$149,520 or \$93.92 per square foot of living area, including land, when applying the 10% level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment the board of review submitted information on four comparable sales, one of which has the same neighborhood code as the subject. The comparables have sites that range in size from 7,865 to 9,150 square feet of land area and are improved with multi-level class 2-34 dwellings of frame and masonry or frame exterior construction that range in size from 1,620 to 1,805 square feet of living area and range in age from 40 to 56 years old. The comparables have partial basements with finished area. Three comparables have central air conditioning, two comparables each have a fireplace and each comparable has a two-car garage. The sales occurred from October 2014 to October 2017 for prices ranging from \$158,900 to \$187,000 or from \$94.53 to \$110.26 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The record contains eight comparable sales for the Board's consideration. The Board gave less weight to the appellant's comparables #2 and #4 due to differences in dwelling size when compared to the subject. The Board gave less weight to the board of review comparables due to their differences in location or having a dated sale in 2014 which is less proximate in time to the January 1, 2017 assessment than the other sales in the record.

The Board finds the best evidence of market value to be the appellant's comparables #1 and #3. Although one comparable is a slightly dated sale, these comparables are overall most similar to the subject property in location, age, dwelling size and most features. These comparables sold in March 2017 and November 2015 for prices of \$65,099 and \$130,000 or for \$44.08 and \$79.85 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$149,520 or \$93.92 per square foot of living area, including land, which falls above the two best comparable sales in this record. After considering adjustments to the best comparable sales for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by the assessment is excessive, and therefore, a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
