

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Nick Debello
DOCKET NO.: 17-44365.001-R-1
PARCEL NO.: 31-24-437-028-0000

The parties of record before the Property Tax Appeal Board are Nick Debello, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,437
IMPR.: \$2,591
TOTAL: \$5,028

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a multi-level dwelling of frame and masonry exterior construction with 1,121 square feet of living area. The dwelling is approximately 59 years old. Features of the home include a partial basement with finished area and central air conditioning. The property has a 7,500 square foot site and is located in Park Forest, Rich Township, Cook County. The subject is classified as a class 2-34 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales that have the same neighborhood code as the subject. The comparables have sites ranging in size from 7,200 to 9,048 square feet of land area and are improved with class 2-34 dwellings of frame and masonry exterior construction. Each dwelling has 1,121 square feet of living area and is either 57 or 59 years old.

The comparables have partial basements with finished area. Three comparables have central air conditioning and each comparable has a 1.5-car or a 2-car garage. The sales occurred from April 2015 to July 2016 for prices ranging from \$15,000 to \$83,500 or from \$13.38 to \$74.49 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$8,553. The subject's assessment reflects a market value of \$85,530 or \$76.30 per square foot of living area, including land, when applying the 10% level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales. One comparable is located within the same neighborhood code as the subject and three comparables are located within a different neighborhood code than the subject. The comparables have sites that range in size from 7,200 to 16,368 square feet of land area and are improved with multi-level class 2-34 dwellings of frame and masonry or frame exterior construction that range in size from 1,188 to 1,827 square feet of living area and range in age from 44 to 58 years old. The comparables each have a partial basement with finished area, central air conditioning and a 2-car or a 2.5-car garage. Three comparables each have one fireplace. The sales occurred from September 2015 to August 2016 for prices ranging from \$42,000 to \$220,000 or from \$35.35 to \$120.42 per square foot of living area, including land. The board of review reported the subject sold in August 2015 for \$18,000. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The record contains eight comparable sales for the Board's consideration and the 2015 sale of the subject. The Board gave less weight to board of review comparables #2, #3 and #4 due to their differences in location and dwelling size when compared to the subject.

The Board finds the best evidence of market value to be the parties' remaining comparables sales they are most similar to the subject in location, age and dwelling size. However, each comparable has a garage unlike the subject. These comparables sold from April 2015 to July 2016 for prices ranging from \$15,000 to \$83,500 or from \$13.38 to \$74.49 per square foot of living area, including land. The subject's assessment reflects a market value of \$85,530 or \$76.30 per square foot of living area, including land, which falls above the range established by the best comparable sales in this record and considerably higher than the 2015 sale of the subject. After considering adjustments to the best comparable sales for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by the assessment is

excessive, and therefore, a reduction in the subject's assessment commensurate with the appellant's request is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
