

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Nick Debello
DOCKET NO.: 17-44366.001-R-1
PARCEL NO.: 31-24-439-003-0000

The parties of record before the Property Tax Appeal Board are Nick Debello, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,461
IMPR.: \$6,939
TOTAL: \$9,400

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a multi-level dwelling of frame and masonry exterior construction with 1,121 square feet of living area. The dwelling is approximately 59 years old. Features of the home include a partial basement with finished area, central air conditioning and a 2-car garage. The property has a 7,573 square foot site and is located in Park Forest, Rich Township, Cook County. The subject is classified as a class 2-34 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales that have the same neighborhood code as the subject. The comparables have sites ranging in size from 7,200 to 9,048 square feet of land area and are improved with class 2-34 dwellings of frame and masonry exterior construction. Each dwelling has either 1,121 or 1,124 square feet of living area and is either 57

or 59 years old. The comparables have partial basements with finished area. Three comparables have central air conditioning, one comparable has a fireplace and each comparable has a 1.5-car to a 2.5-car garage. The sales occurred from July 2015 to March 2017 for prices ranging from \$40,000 to \$83,500 or from \$35.68 to \$74.49 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$9,400. The subject's assessment reflects a market value of \$94,000 or \$83.85 per square foot of living area, including land, when applying the 10% level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales, two of which are located within the same neighborhood code as the subject. Comparables #1 and #3 are located within different neighborhood codes than the subject's neighborhood code. The comparables have sites that range in size from 7,800 to 8,125 square feet of land area and are improved with multi-level class 2-34 dwellings of frame and masonry or frame exterior construction that range in size from 1,187 to 1,378 square feet of living area and range in age from 28 to 58 years old. The comparables each have a partial basement with finished area, three comparables have central air conditioning, two comparables each have a fireplace and each comparable has a 2-car garage. The sales occurred from May 2014 to July 2017 for prices ranging from \$120,000 to \$160,000 or from \$99.26 to \$126.60 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight comparable sales for the Board's consideration. The Board gave less weight to appellant's comparables #1 and #3 along with board of review comparables #1, #3 and #4 due to their dated sales in 2014 and 2015 and/or dissimilar age and location when compared to the subject. The Board finds the best evidence of market value to be appellant's comparables #2 and #4 along with board of review comparable #2 as they sold proximate in time to the January 1, 2017 assessment date. These comparables are similar to the subject in location, age, dwelling size and features. These comparables sold from February to July 2017 for prices ranging from \$40,000 to \$120,000 or from \$35.68 to \$101.10 per square foot of living area, including land. The subject's assessment reflects a market value of \$94,000 or \$83.85 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering adjustments to the best comparable sales for differences when compared to the subject, the Board finds the subject's estimated market value

as reflected by the assessment is supported, and therefore, a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
