

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Valerie & Richard Persenaire  
DOCKET NO.: 17-44415.001-R-1  
PARCEL NO.: 32-25-107-019-0000

The parties of record before the Property Tax Appeal Board are Valerie & Richard Persenaire, the appellants, by attorney George N. Reveliotis of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$2,002  
**IMPR.:** \$3,462  
**TOTAL:** \$5,464

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellants timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of frame exterior construction with 940 square feet of living area. The dwelling is approximately 57 years old. The home features a full unfinished basement. The property has a 6,600 square foot site and is located in Sauk Village, Bloom Township, Cook County. The subject is classified as a class 2-02 property under the Cook County Real Property Assessment Classification Ordinance.

The appellants contend overvaluation as the basis of the appeal. In support of this argument the appellants submitted information on four comparable sales located within the same neighborhood code as the subject property. The comparables have sites with either 6,600 or 6,820 square feet of land area. The comparables are improved with similar class 2-02 dwellings of frame exterior construction ranging in size from 896 to 961 square feet of living area. The comparables range in age from 45 to 60 years old. One comparable has full basement with

finished area and three comparables each have a concrete slab foundation. Three comparables have either a one-car or a two-car garage. The comparables sold from June 2015 to November 2017 for prices ranging from \$32,000 to \$45,195 or from \$35.38 to \$48.91 per square foot of living area, land included. Based on this evidence, the appellants requested the subject's assessment be reduced to \$3,968, reflecting a market value of \$39,680 or \$42.41 per square foot of living area, land included, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$5,464. The subject's assessment reflects a market value of \$54,640 or \$58.13 per square foot of living area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within the same neighborhood code and subarea as the subject property. The comparables have sites that range in size from 6,600 or 7,200 square feet of land area. The comparables are improved with similar class 2-02 one-story dwellings of frame or frame and masonry exterior construction ranging in size from 900 to 925 square feet of living area. The comparables are either 58 or 59 years old. Three comparables each have and unfinished basement. One comparable has a concrete slab foundation and a two-car garage. The comparables sold from January to March 2016 for prices ranging from \$14,000 to \$70,000 or from \$15.45 to \$77.78 per square foot of living area, land included. Based on this evidence, the board of review requested confirmation of the subject's assessment

### **Conclusion of Law**

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight comparable sales for the Board's consideration. The Board gives less weight to the comparables submitted by the appellants, as well as board of review comparable #4 which differ from the subject in age, foundation and/or features. The Board finds the best evidence of market value to be board of review comparables #1, #2 and #3. These comparables are relatively similar to the subject in location, dwelling size, design, age and features. The comparables sold in February and March 2016 for prices ranging from \$14,000 to \$70,000 or from \$15.45 to \$77.78 per square foot of living area, including land. The subject's assessment reflects a market value of \$54,640 or \$58.13 per square foot of living area, including land, which is within the range established by the best comparable sales in this record both in terms of overall value and on a square foot basis. After considering necessary adjustments to the comparables for differences when compared to the subject, the Board finds no reduction in the subject's estimated market value as reflected by its assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
