

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mihalis Vassos
DOCKET NO.: 17-44419.001-R-1
PARCEL NO.: 10-23-316-060-0000

The parties of record before the Property Tax Appeal Board are Mihalis Vassos, the appellant, by attorney George N. Reveliotis of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,059
IMPR.: \$17,675
TOTAL: \$21,734

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of a masonry exterior construction with 1,006 square feet of living area. The dwelling is approximately 58 years old. Features of the home include a full unfinished basement, central air conditioning and a two-car garage. The property has a 4,920 square foot site and is located in Skokie, Niles Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within the same neighborhood code as the subject property. The comparables have sites containing either 3,690 or 4,920 square feet of land area. The comparables are improved with similar class 2-03 dwellings of masonry exterior construction, two with 1,143 square feet of living area and two with 1,623 square feet of

living area. The dwellings range in age from 62 to 64 years old. Each comparable has a full unfinished basement, central air conditioning and either a one-car or a two-car garage. The properties sold from June 2015 to September 2016 for prices ranging from \$187,500 to \$225,000 or from \$115.53 to \$196.85 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$15,550, reflecting a market value of \$155,500 or \$154.57 per square foot of living area, land included, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$21,734. The subject's assessment reflects a market value of \$217,340 or \$216.04 per square foot of living area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within the same neighborhood code as the subject property. The comparables have sites that range in size from 6,500 to 7,315 square feet of land area. The comparables are improved with similar class 2-03 two-story dwellings of masonry exterior construction ranging in size from 1,000 to 1,058 square feet of living area. The dwellings range in age from 57 to 61 years old. Each comparable has a full basement with two having finished area, central air conditioning and either a one-car or a two-car garage. The properties sold from September 2016 to December 2017 for prices ranging from \$269,500 to \$295,000 or from \$265.15 to \$278.83 per square foot of living area, land included. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties provided seven suggested comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables due to their considerably larger dwellings when compared to the subject dwelling and/or the 2015 sales are somewhat dated and less likely to reflect the subject's market value as of the January 1, 2017 assessment date.

The Board finds the best evidence of market value to be the comparables provided by the board of review. These comparables are relatively similar to the subject in location, dwelling size, design, age and features, except two of the comparables have finished basements unlike the subject's unfinished basement, suggesting a downward adjustment would be required for this feature to make these comparables more equivalent to the subject. The comparables sold from September 2016 to December 2017 for prices ranging from \$269,500 to \$295,000 or from \$265.15 to \$278.83 per square foot of living area, including land. The subject's assessment

reflects a market value of \$217,340 or \$216.04 per square foot of living area, including land, which is below the range established by best comparable sales in this record. After considering necessary adjustments to the comparables for differences when compared to the subject, the Board finds no reduction in the subject's estimated market value as reflected by its assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
