

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Di Jin
DOCKET NO.: 17-44582.001-R-1
PARCEL NO.: 17-31-407-046-0000

The parties of record before the Property Tax Appeal Board are Di Jin, the appellant(s), by attorney Christopher G. Walsh, Jr., Attorney at Law in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 2,019
IMPR.: \$22,994
TOTAL: \$25,013

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1,188 square foot parcel of land improved with an 18-year old, two-story, masonry, townhome dwelling containing 1,440 square feet of building area. The property is located in South Chicago Township, Cook and is classified as a class 2-95 property under the Cook County Real Property Assessment Classification Ordinance.

The subject property was the subject matter of an appeal before the Property Tax Appeal Board the prior year under docket number 16-42591.001-R-1. In that appeal the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to \$23,800 based on a stipulation by the parties. The appellant's attorney asserted that 2016 and 2017 were within the same general assessment period for residential property, however, no evidence of owner-occupancy was provided. In fact, the appellant's mailing address and the subject's property address were different as listed on the appellant's petition form. Additionally, the appellant failed

to submit any evidence to demonstrate the subject was being inequitably assessed or overvalued and requested that the 2016 assessed value be rolled over to the 2017 tax year pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185).

The board of review submitted its "Board of Review-Notes on Appeal" wherein the final assessment of the subject property totaling \$25,073 was disclosed. The board of review submitted four equity comparables, all of which reflected sale data, in support of the subject's assessment. Based upon this evidence, the board requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

Pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185), the Board finds the prior year's decision should not be carried forward to the subsequent year.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The record disclosed the Property Tax Appeal Board issued a decision reducing the subject's 2016 assessment, however, the record also contains evidence indicating the subject property is not owner-occupied. For this reason the Property Tax Appeal Board finds that a reduction in the subject's assessment is not warranted to reflect the Board's prior year's decision as requested by the appellant.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
