

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Pushpa and Associates, LLC
DOCKET NO.: 17-45776.001-R-1
PARCEL NO.: 09-29-409-153-0000

The parties of record before the Property Tax Appeal Board are Pushpa and Associates, LLC, the appellant(s), by attorney Noah J. Schmidt, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,720
IMPR.: \$9,677
TOTAL: \$12,397

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story, townhome-style dwelling of frame and masonry construction with 1,152 square feet of living area. The dwelling is 56 years old. Features of the home include a full basement. The property has a 3,627 square foot site located in Maine Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted a copy of the subject's prior year Property Tax Appeal Board decision, docket 16-28480.001-R-1 and evidence disclosing the subject property was purchased on May 24, 2013 for a price of \$75,000, or \$64.24 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$12,397. The subject's assessment reflects a market value of \$123,970 or \$107.61 per square foot of living area, land included, when using the 2017 level of assessments for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment the board of review submitted information on four equity comparables and all the recent sales within the subject's townhome association. The board of review also submitted evidence that the subject is not owner-occupied.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet the burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value in the record to be the four highlighted comparable sales submitted by the board of review. These comparables were similar to the subject in location, style, construction, features, age and land area. These properties also sold proximate in time to the assessment date at issue. The comparables sold for prices ranging from \$111.98 to \$171.01 per square foot of living area, including land. The subject's assessment reflects a market value of \$107.61 per square foot of living area, including land, which is below the range established by the best comparable sales in this record. The Board gave little weight to the subject's sale due to the fact the sale did not occur proximate in time to the assessment date at issue. Based on this record the Board finds the subject's assessment reflects its market value and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
