

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Tracie Annette Brown  
DOCKET NO.: 17-45784.001-R-1  
PARCEL NO.: 16-09-206-011-0000

The parties of record before the Property Tax Appeal Board are Tracie Annette Brown, the appellant, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$2,541  
**IMPR.:** \$7,430  
**TOTAL:** \$9,971

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 107-year-old, two-story, multi-family dwelling of frame and masonry construction containing 1,824 square feet of building area. The property is a class 2-11 under the Cook County Real Property Assessment Classification Ordinance and located in Chicago, West Chicago Township, Cook County.

The appellant contends the assessment of the subject property as established by the decision of the Property Tax Appeal Board (PTAB) for the 2016 tax year should be carried forward to the 2017 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). The appellant revealed that the subject property was the subject matter of an appeal before the PTAB under Docket Number 16-44039.001-R-1. In that appeal, the PTAB reduced the subject's total assessment to \$9,971 based on equity and the weight of the evidence. The appellant's counsel

asserted that the subject property is an owner-occupied residence and that the 2016 and 2017 tax years are within the same general assessment period for the subject property.

Based on the evidence, the appellant's attorney requested the subject's total assessment for the 2017 tax year be reduced to reflect the assessment as established in the 2016 PTAB decision of \$9,971.

The board of review did not timely submit its "Board of Review Notes on Appeal" and was found to be in default by the Property Tax Appeal Board by letter dated July 29, 2021. Furthermore, the Board takes notice that the "Board of Review – Notes on Appeal" shows that 2015 was the first year of the general assessment cycle for West Chicago Township.

### **Conclusion of Law**

Initially, the Board finds the board of review did not timely submit any evidence in support of its assessment of the subject property or to refute the evidence submitted by the appellant as required by Section 1910.40(a) of the rules of the Property Tax Appeal Board and is in default pursuant to Section 1910.69(a) of the rules of the Board. (86 Ill.Admin.Code §1910.40(a); 1910.69(a)).

The appellant raised a contention of law asserting that the assessment of the subject property as established by the Property Tax Appeal Board for the 2016 tax year should be carried forward to the 2017 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). When a contention of law is raised the burden of proof is a preponderance of the evidence. (See 5 ILCS 100/10-15). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

Pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185), the Board finds the prior year's decision should be carried forward to the subsequent year subject only to equalization.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The record disclosed the Property Tax Appeal Board issued a decision reducing the subject's assessments for the 2015 and 2016 tax years. The record further indicates that the subject property is an owner-occupied dwelling and the 2015, 2016 and 2017 tax years are within the same subject's general assessment period. The record contains no evidence indicating the subject property sold in an arm's length transaction after the Board's prior year decision or that

the prior years' decisions of the Property Tax Appeal Board have been reversed or modified upon review. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the assessment as established in the Board's decision for the previous tax year, plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
