

**AMENDED
FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Chris Aumann
DOCKET NO.: 17-45815.001-R-1
PARCEL NO.: 18-05-423-009-0000

The parties of record before the Property Tax Appeal Board are Chris Aumann, the appellant(s), by attorney Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 5,070
IMPR.: \$26,930
TOTAL: \$32,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a two-story dwelling of frame construction with 1,974 square feet of living area. The dwelling is 72 years old. Features of the home include a partial unfinished basement, central air conditioning, and a two and one-half-car garage. The property has a 7,800 square foot site, and is located in La Grange, Lyons Township, Cook County. The subject is classified as a class 2-05 property under the Cook County Real Property Assessment Classification Ordinance. No evidence was submitted as to whether the subject is owner occupied.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on August 10, 2015 for a price of \$320,000. The settlement statement submitted by the appellant states that the seller was the Capria Family Revocable Living Trust. The appellant also submitted five sale comparable

that support the overvaluation argument. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$32,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$56,194. The subject's assessment reflects a market value of \$561,940, or \$284.67 per square foot of living area, including land, when applying the 2017 statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted three equity comparables, two of which reflected sale data. These comparables sold between October 2016 and November 2016 for 645,000 to \$675,000, or \$341.27 to \$416.92 per square foot of living area, including land. The board of review's grid sheet also reflected the sale of the subject in August 2015 for \$320,000.

In rebuttal, the appellant argued that the board of review's evidence was not responsive to the appellant's market value argument based on a recent sale of the subject.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject in August 2015 for a price of \$320,000. The appellant provided evidence demonstrating that the sale had the elements of an arm's-length transaction, including disclosing that the parties to the transaction were not related, the property was sold using a real estate broker, and it was advertised for sale on the open market for approximately 122 days. In further support of the transaction, the appellant submitted the printout from the MLS and the settlement statement. Additionally, there is no evidence that this was a compulsory sale. Based on this record the Board finds the subject property had a market value of \$320,000 as of January 1, 2017. Since market value has been established the statutory level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10.00% shall apply. 86 Ill.Admin.Code §1910.50(c)(2).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
