

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Fazal Qureshi  
DOCKET NO.: 17-46591.001-R-1  
PARCEL NO.: 16-16-214-213-0000

The parties of record before the Property Tax Appeal Board are Fazal Qureshi, the appellant, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **a reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$2,435  
**IMPR.:** \$1,565  
**TOTAL:** \$4,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of masonry construction with 1,058 square feet of living area. The dwelling was constructed in 1958 and has a slab foundation. The property has a 2,118 square foot site and is located in Chicago, West Chicago Township, Cook County. The subject is classified as a class 2-95 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on eight comparable sales that are located within the same neighborhood code as the subject. The comparables have sites ranging in size from 1,017 to 2,151 square feet of land area that are improved with two-story dwellings ranging in size from 1,049 to 1,058 square feet of living area. The homes were built in 1958. The comparables sold from April 2016 to December 2017 for prices ranging from \$10,000 to \$35,000 or from \$9.53 to \$33.08 per square foot of living area, including land.

Based on this evidence the appellant requested that the subject's assessment be reduced to \$2,950.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$7,293. The subject's assessment reflects a market value of \$72,930 or \$68.93 per square foot of living area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on four comparable properties that are located within the same neighborhood code and on the same block as the subject. The comparables have sites ranging in size from 1,018 to 2,170 square feet of land area that are improved with two-story dwellings containing 1,049 or 1,058 square feet of living area. The homes were built in 1958. Three comparables sold from February 2016 to December 2017 for prices of \$1 and \$68,000 or \$0 and \$64.82 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

The appellant submitted rebuttal critiquing the board of review's submission.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be appellant's comparable sales, as well as the board of review's comparables #2 and #3. These comparables sold for prices ranging from \$9.53 to \$64.82 per square foot of living area, including land. The subject's assessment reflects a market value of \$68.93 per square foot of living area, including land, which is above the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
