

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Anthony Punda
DOCKET NO.: 17-46821.001-R-1
PARCEL NO.: 20-25-125-013-0000

The parties of record before the Property Tax Appeal Board are Anthony Punda, the appellant, by attorney William I. Sandrick, of Sandrick Law Firm, LLC in South Holland; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 5,588
IMPR.: \$20,077
TOTAL: \$25,665

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 91-year-old, three-story residential building of masonry construction with 9,402 square feet of building area. Features of the building include a full basement and a three-car garage. The property has a 6,985 square foot site and is located in Hyde Park Township, Cook County. The property is a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant filed a direct appeal under the Property Tax Code. The appellant submitted evidence disclosing the prior year Board's decision under docket number 16-43391.001-R-1. In that appeal, the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to \$20,000 based on a stipulation between the parties. In addition, the appellant submitted an appraisal estimating the subject's property had a market value of \$135,000 as of

January 1, 2013. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$20,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$25,665. The subject's assessment reflects a market value of \$256,650 or \$27.30 per square foot of building area, including land, when applying the 2017 level of assessments for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on three suggested equity comparables with sales data on each of those properties.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board gives no weight to the 2013 appraisal of the subject because it is too remote in time to accurately depict the market value for the subject as of the 2017 lien year at issue.

The Board finds the best evidence of market value to be all of the board of review's comparables. These comparables sold for prices ranging from \$45.55 to \$60.82 per square foot of building area, including land. The subject's assessment reflects a market value of \$27.30 per square foot of building area, including land, which is below the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
