

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Yiannis Arbis
DOCKET NO.: 17-46943.001-R-1
PARCEL NO.: 13-12-233-034-1004

The parties of record before the Property Tax Appeal Board are Yiannis Arbis, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 2,868
IMPR.: \$16,954
TOTAL: \$19,822

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a residential condominium unit located in a 38-year-old, six-unit residential building. The property has a 9,375 square foot site and is located in Jefferson Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant filed a direct appeal under the Property Tax Code. The appellant submitted evidence disclosing the prior year Board's decision under docket number 16-41560.001-R-1. In that appeal, the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to \$18,000 based on the evidence submitted into evidence. In addition, the appellant submitted information on three suggested sales comparables. Those properties are all within the same building and range in sale date from \$140,000 to \$207,000 per unit and in sale date from January, 2013 to July, 2017.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$19,822. The subject's assessment reflects a market value of \$198,220 when applying the 2017 level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted a condominium analysis estimating the subject's market value based on sale of two other units located within the subject building. The two units that sold have PINs ending in -1002 and -1003 and have a percentage of ownership ranging between 15.75% and 16.25%, respectively. The two units that the board of review used in their analysis correspond to appellant's comparable sales #1 and #2, respectively. Based on the percentage of ownership of the units that sold, the board of review found the full value of the entire building. Multiplying the subject's percentage of ownership of 18% by the full value of the building, the board of review found the market value of the subject.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be appellant's comparable sales #1, #2, and #3, and the board of review's comparable sales #1 and #2. The Board finds that although appellant's sale #3 is very old, it is nevertheless indicative of an upward trend in prices. The Board also finds that these comparables sold for prices ranging from \$140,000 to \$207,000 per unit. The subject's assessment reflects a market value of \$198,220 which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
