

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Patricia Amos  
DOCKET NO.: 17-47454.001-R-1  
PARCEL NO.: 32-36-110-011-0000

The parties of record before the Property Tax Appeal Board are Patricia Amos, the appellant(s), by attorney Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$1,831  
**IMPR.:** \$4,562  
**TOTAL:** \$6,393

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 6,660 square foot parcel of land improved with a 45-year-old, one-story, frame and masonry, single-family dwelling containing 1,366 square feet of building area. The property is located in Sauk Village, Bloom Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted four sales comparables. The comparables are described as one-story, frame, single-family dwellings containing from 1,270 to 1,494 square feet of building area. These comparables sold from March 2016 to August 2017 for prices ranging from \$19.09 to \$26.04 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal." The subject's total assessment is \$6,393 which reflects a market value of \$63,930 or \$46.80 per square foot of building area using when using the level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of the current assessment, the board of review submitted three sales comparables. The comparables are described as a one-story, frame or frame and masonry, single-family dwellings containing from 1,060 to 1,366 square feet of building area. They sold from February 2015 to January 2016 for prices ranging from \$33.30 to \$55.27 per square foot of building area.

In rebuttal, the appellant submitted a letter asserting that the board of review's comparables were not as similar to the subject as the appellants for various reasons and included a grid of all the comparables.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the comparables best evidence of market value to be the appellant's comparables #2 and #4 and the board of review's comparable #2 with the most similar comparable in size and construction the board of review's comparable. These properties sold from July 2015 to August 2017 for prices ranging from \$12.65 to \$55.27 per square foot of building area. The remaining were given less weight due to differences in size. In comparison, the subject's assessment reflects a market value of \$46.80 per square foot of building area which is within the range of these comparables. Therefore, the Board finds the appellant has not proven by a preponderance of the evidence that the subject was overvalued, and a reduction is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
