

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT:     Olando Bradford  
DOCKET NO.:    17-47467.001-R-1  
PARCEL NO.:    32-18-311-001-0000

The parties of record before the Property Tax Appeal Board are Olando Bradford, the appellant(s), by attorney Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:**     \$2,893  
**IMPR.:**    \$2,837  
**TOTAL:**    \$5,730

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 6,808 square foot parcel of land improved with a 46-year-old, one-story, frame and masonry, single-family dwelling containing 988 square feet of building area. The property is located in Chicago Heights, Bloom Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted three sales comparables. The comparables are described as one-story, masonry, single-family dwellings containing from 1,010 to 1,017 square feet of building area. These comparables sold from June 2016 to July 2017 for prices ranging from \$34.65 to \$59.00 per square foot of building area. The petition discloses that the subject is an owner-occupied residence.

The board of review submitted its "Board of Review Notes on Appeal." The subject's total assessment is \$10,099 which reflects a market value of \$100,990 or \$102.22 per square foot of building area using the level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of the current assessment, the board of review submitted four sales comparables. The comparables are described as a one-story, frame or frame and masonry, single-family dwellings containing from 753 to 972 square feet of building area. They sold from February to November 2016 for prices ranging from \$133.74 to \$157.37 per square foot of building area.

In rebuttal, the appellant submitted a letter asserting that the board of review's comparables were not as similar to the subject as the appellants for various reasons and included a grid of all the comparables.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the comparables best evidence of market value to be the appellant's comparables. These properties sold from June 2016 to July 2017 for prices ranging from \$34.65 to \$59.00 per square foot of building area. The remaining were given less weight due to differences in location. In comparison, the subject's assessment reflects a market value of \$102.22 per square foot of building area which is above the range of these comparables. Therefore, the Board finds the appellant has proven by a preponderance of the evidence that the subject was overvalued, and a reduction is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
