

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Scott Adams
DOCKET NO.: 18-00014.001-R-1
PARCEL NO.: 11-16-306-034

The parties of record before the Property Tax Appeal Board are Scott Adams, the appellant, by attorney Ronald Kingsley of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$135,146
IMPR.: \$78,236
TOTAL: \$213,382

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.75-story dwelling of wood siding exterior construction with 2,468 square feet of living area. The dwelling was constructed in 1945. Features of the home include a full unfinished basement, central air conditioning, a fireplace, two detached garages containing either 240 or 473 square feet of building area and a 680 square foot inground swimming pool. The property has a 22,250 square foot site and is located in Libertyville, Libertyville Township, Lake County.

The appellant's counsel filed the appeal based on a contention of law. The appellant contends the assessment of the subject property as established by the decision of the Property Tax Appeal Board for the 2017 tax year should be carried forward to the 2018 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). The appellant disclosed that the subject property is an owner-occupied residence that was the subject matter of an appeal before

the Property Tax Appeal Board the prior year under Docket Number 17-01797.001-R-1. In that appeal the Property Tax Appeal Board issued a decision lowering the assessment of the subject property to \$206,646 based on an agreement of the parties. The appellant's counsel asserted that the general assessment period for this property is from tax years 2015 through 2018 and that a township equalization factor of 1.0236 was issued in 2018 for Libertyville Township.¹ Based on this evidence, the appellant requested the subject's assessment be reduced to the 2017 decision subject to the 2018 equalization factor reported by counsel as 1.0236 resulting in an assessment of \$211,523.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$213,382. The board of review submitted a statement that the subject property was the subject matter of an appeal before the Property Tax Appeal Board for the 2017 tax year under Docket Number 17-01797.001-R-1. The board of review explained in that appeal the Property Tax Appeal Board issued a decision reducing the subject's assessment to \$206,646 based on an agreement of the parties and that Libertyville Township's general assessment cycle began in 2015 and runs through 2018. It further indicated that in tax year 2018 a township equalization factor of 1.0326 was applied in Libertyville Township. The board of review argued the subject's 2018 assessment reflects the Property Tax Appeal Board's 2017 decision plus application of the 2018 equalization factor of 1.0326 as provided by section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). The board of review also submitted a copy of the subject's property record card which demonstrated that an equalization factor of 1.0326 was applied in 2018. The board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant raised a contention of law asserting that the assessment of the subject property as established by the Property Tax Appeal Board for the 2017 tax year should be carried forward to the 2018 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). When a contention of law is raised the burden of proof is a preponderance of the evidence. (See 5 ILCS 100/10-15). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Property Tax Appeal Board finds the subject property was the matter of an appeal before this Board for the 2017 tax year under docket number 17-01797.001-R-1. In that appeal, the Board rendered a decision lowering the subject's assessment to \$206,646 based on an agreement by the parties. The Property Tax Appeal Board finds that Lake County's general assessment period began in the 2015 tax year and continues through the 2018 tax year. The Board further finds section 16-185 of the Property Tax Code is controlling in this appeal. (35 ILCS 200/16-185).

Section 16-185 of the Property Tax Code provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such

¹ Appellant's counsel reported the equalization factor issued in 2018 for Libertyville Township as 1.0236 which differs from the 1.0326 equalization factor reported in the "Board of Review Notes on Appeal."

reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The Board finds this record disclosed the subject property is an owner occupied dwelling and that 2017 and 2018 are within the same general assessment period. The record contains no evidence showing the Property Tax Appeal Board's 2017 decision was reversed or modified upon review and there was no evidence the subject property sold in an arm's-length transaction establishing a different fair cash value. The Board also finds that a township equalization factor of 1.0326 was applied in 2018. Applying section 16-185 of the Property Tax Code (35 ILCS 200/16-185) to the Board's prior 2017 decision results in an assessment of \$213,382 ($\$206,646 \times 1.0326 = \$213,382$) which is equal to the subject's final 2018 assessment of \$213,382 as established by the board of review. Based upon the record evidence and considering the statutory mandates of section 16-185 of the Property Tax Code (35 ILCS 200/16-185), the Property Tax Appeal Board finds no change in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
