

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: George Cong
DOCKET NO.: 18-00057.001-R-1
PARCEL NO.: 07-29-401-033

The parties of record before the Property Tax Appeal Board are George Cong, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **a reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,862
IMPR.: \$66,363
TOTAL: \$71,225

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story townhome of wood siding exterior construction with 1,908 square feet of living area. The dwelling was constructed in 1998. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 462 square foot garage. The property is located in Libertyville, Warren Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.12 of a mile from the subject property and on the same street within the townhome complex. The comparables were improved with two-story townhomes of wood siding exterior construction that contain either 1,886 or 1,904 square feet of living area. The dwellings were constructed in 1998. Each comparable has an unfinished basement, central air conditioning, one fireplace and a 462 square foot garage. The comparables sold from February 2016 to November 2017 for prices ranging

from \$189,000 to \$213,000 or from \$99.26 to \$112.94 per square foot of living area, land included. Based on this evidence, the appellant requested that the assessment be reduced to \$64,993.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$73,325. The subject's assessment reflects a market value of \$221,660 or \$116.17 per square foot of living area, land included, when using the 2017 three year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted property record cards and information on four comparable sales located within 0.311 of a mile from the subject property. The comparables are improved with two-story condominiums¹ with wood siding exterior construction that ranged in size from 1,709 to 2,081 square feet of living area. The dwellings were constructed in 1994 or 1995. Each comparable has a basement with two comparables having finished area, central air conditioning, one fireplace and a garage that contains either 483 or 506 square feet of building area. The comparables sold from January 2016 to December 2017 for prices ranging from \$218,000 to \$255,000 or from \$112.21 to \$127.56 per square foot of living area, land included. Based on this evidence, the board of review requested that the assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted seven comparable sales for the Board's consideration. The Board gave little weight to the board of review comparables. These comparables are condominiums and not a townhome like the subject property. Furthermore, these comparables are not located in the subject's townhome complex.

The Board finds the best evidence of market value to be appellant's comparables. These comparables have varying degrees of similarity when compared to the subject in location, design, dwelling size, age and features. Two of the comparables have sales that occurred in 2016, however, they are located in the subject's townhome complex. These most similar comparables sold for prices ranging from \$189,000 to \$213,000 or from \$99.26 to \$112.94 per square foot of living area, including land. The subject's assessment reflects a market value of \$221,660 or \$116.17 per square foot of living area, including land, which falls above the range established by the best comparable sales in this record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the subject's

¹ The board of review comparables are condominiums. This information was obtained from the property record card.

estimated market value as reflected by its assessment is not supported. Based on this evidence the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
