

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michael Bryant
DOCKET NO.: 18-00174.001-R-1
PARCEL NO.: 06-01-206-021

The parties of record before the Property Tax Appeal Board are Michael Bryant, the appellant, by attorney Gregory Riggs of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$9,464
IMPR.: \$52,946
TOTAL: \$62,410

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a two-story dwelling with wood siding containing 1,620 square feet of living area.¹ The dwelling was constructed in 2007. Features of the home include a 420 square foot lower level with 336 square feet of finished area, central air conditioning, and an attached two-car garage with 420 square feet of building area. The property is located in Lindenhurst, Lake Villa Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six comparable sales improved with dwellings that are practically identical to the subject in age, size, style, construction and features. The comparables are located within .17 miles of the subject property. The sales occurred from April 2017 to December 2017 for prices ranging from \$171,000 to \$185,000 or from \$105.56 to \$114.20 per

¹ It appears that the subject property and each comparable submitted by the parties is improved with a townhouse.

square foot of living area, land included. The appellant requested the subject's assessment be reduced to \$58,994.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$62,410. The subject's assessment reflects a market value of \$188,664 or \$116.46 per square foot of living area, land included, when using the 2018 three-year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on six comparable sales improved with dwellings that are practically identical to the subject in age, size, style, construction and features. The comparables are located within .133 miles of the subject property. The sales occurred from April 2017 to May 2018 for prices ranging from \$185,000 to \$192,500 or from \$114.20 to \$118.83 per square foot of living area, land included. Board of review sale #6 is the same property as appellant's sale #5. The board of review requested the assessment be sustained.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eleven sales submitted by the parties to support their respective positions with one property being common to both parties. All the comparables are practically identical to the subject property. These properties sold for prices ranging from \$171,000 to \$192,500 or from \$105.56 to \$118.83 per square foot of living area, including land. The subject's assessment reflects a market value of \$188,664 or \$116.46 per square foot of living area, including land, which is within the range established by the comparable sales in this record. Based on this evidence the Board finds the assessment of the subject property as established by the board of review is correct and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
