

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jose Quinonez
DOCKET NO.: 18-00187.001-R-1
PARCEL NO.: 04-31-312-001

The parties of record before the Property Tax Appeal Board are Jose Quinonez, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County, in Lake Zurich, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$13,048
IMPR.: \$61,729
TOTAL: \$74,777

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of wood siding exterior construction with 2,021 square feet of living area. The dwelling was constructed in 1986. Features of the home include a full unfinished basement, a fireplace and a detached 960 square foot garage. The property has a 32,400 square foot site and is located in Beach Park, Benton Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales. The comparables sold between January and April 2017 for prices of \$147,000 or \$190,000 or from \$76.64 to \$107.95 per square foot of living area, including land.

The subject property is an owner occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 17-02004.001-R-1. In that appeal the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to \$70,346 based on the evidence submitted by the parties. As set forth above, the appellant submitted the three comparable sales to demonstrate the subject was overvalued.

The Board takes notice that 2017 and 2018 are in the same general assessment period in Lake County. (86 Ill.Admin.Code §1910.90(i) and 35 ILCS 200/9-215).

Based on the foregoing comparable sales evidence, the appellant requests a reduction in the subject's assessment to \$65,993.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$77,792. The subject's assessment reflects a market value of \$235,163 or \$116.36 per square foot of living area, land included, when using the 2018 three year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue. As part of the board of review's submission, it was reported that properties in Benton Township had an equalization factor of 1.063 applied in 2018.

The board of review's submission included a property record card for the subject property indicating the owners of the dwelling are Jose D. & Celia Quinonez, one of whom is a named appellant in this appeal. The stated address for the appellant and the property address are identical.

In response to the appellant's evidence, the board of review presented data that appellant's comparable #1 sold "as is" and further noted that each of the appellant's comparables were older dwellings than the subject.

In support of its contention of the correct assessment, the board of review submitted information on three comparable sales. The comparables sold from July 2017 to May 2018 for prices ranging from \$235,000 to \$262,000 or from \$119.96 to \$142.25 per square foot of living area, including land.

Based on this comparable sales evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The subject property was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 17-02004.001-R-1. In that appeal the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to \$70,346 based on the evidence submitted by the parties.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such

reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The Board further finds that the prior year's decision should be carried forward to the subsequent year subject only to any equalization factor applied to that year's assessments. This finding is pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) and the fact that 2017 and 2018 are within the same general assessment period in Lake County. The record contains no evidence indicating that the assessment year in question is in a different general assessment period. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the Board's prior year's finding plus the application of the equalization factor of 1.063.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
