

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Heather Herringer  
DOCKET NO.: 18-00192.001-R-1  
PARCEL NO.: 06-24-404-025

The parties of record before the Property Tax Appeal Board are Heather Herringer, the appellant, by attorney Gregory Riggs of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$16,691  
**IMPR.:** \$73,488  
**TOTAL:** \$90,179

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is improved with a two-story dwelling with a vinyl siding and face brick exterior containing 2,194 square feet of living area. The dwelling was built in 1990. Features of the home include an unfinished basement, central air conditioning, one fireplace and a two-car attached garage with 504 square feet of building area. The property has an 8,276 square foot site and is located in Third Lake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales improved with two-story dwellings with vinyl siding that range in size from 2,404 to 2,473 square feet of living area. The homes were built in 1988 and 1989. Each property has a basement with three having finished area, central air conditioning, one fireplace and an attached two-car garage ranging in size from 400 to 506 square feet of building area. These properties have sites ranging in size from 8,712 to

10,019 square feet of land area and are located within .23 miles of the subject property. The sales occurred from January 2017 to September 2018 for prices ranging from \$229,000 to \$290,000 or from \$95.47 to \$119.24 per square foot of living area, land included.

The appellant requested the subject's assessment be reduced to \$86,658.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$90,179. The subject's assessment reflects a market value of \$272,609 or \$124.25 per square foot of living area, land included, when using the 2018 three-year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

The board of review explained the subject property was the subject matter of an appeal before the Property Tax Appeal Board for the 2016 tax year in Docket No. 16-02382.001-R-1 in which the subject's assessment was reduced to \$83,685. The board of review indicated that 2015 was the first year of the general assessment cycle in Avon Township. It further explained that the equalization factor for Avon Township for 2017 was 1.0833 and for 2018 was 1.0631. The board of review asserted that, pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185), if the equalizations factors for 2017 and 2018 were applied to the 2016 assessment as determined by the Property Tax Appeal Board the resulting assessment for the 2018 tax year would be \$96,376, which is greater than the subject's total assessment of \$90,179.

In further support of the assessment the board of review provided four comparable sales improved with two-story dwellings with vinyl siding that range in size from 2,028 to 2,314 square feet of living area. The homes were built from 1987 to 1997. Each property has a basement with one being partially finished, central air conditioning and an attached two-car or three-car garage ranging in size from 400 to 726 square feet of building area. Three of the homes have one or two fireplaces. The comparables have sites ranging in size from 5,850 to 17,381 square feet of land area and are located within .242 miles of the subject property. The sales occurred from May 2017 to June 2018 for prices ranging from \$270,000 to \$425,000 or from \$122.74 to \$183.66 per square foot of living area, land included.

Based on this evidence the board of review requested the assessment be sustained.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

Initially, the Property Tax Appeal Board finds section 16-185 of the Property Tax Code provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

35 ILCS 200/16-185. The Board finds that the subject property was the subject matter of an appeal before the Property Tax Appeal Board for the 2016 tax year under Docket No. 16-02382.001-R-1 in which a decision was issued reducing the subject's assessment to \$83,685. The record further disclosed the subject property is an owner-occupied dwelling. The Board also finds that the 2015 and 2018 tax years are in the same general assessment period and equalization factors of 1.0833 and 1.0631 were applied in Avon Township in 2017 and 2018, respectively. Furthermore, the decision of the Property Tax Appeal Board for the 2016 tax year was not reversed or modified upon review and there was no evidence the property sold establishing a different fair cash value. Therefore, the Property Tax Appeal Board finds if the assessment as established by decision for the 2016 tax year is carried forward through the 2018 tax year subject only to the equalization factors applied in 2017 and 2018, pursuant to the dictates of Section 16-185 of the Property Tax Code, the subject's assessment would be increased to \$96,376 from its current assessment of \$90,179.

Additionally, the record contains eight sales provided by the parties with varying degrees of similarity to the subject property. These properties sold for prices ranging from \$229,000 to \$425,000 or from \$95.47 to \$183.66 per square foot of living area, including land. The subject's assessment reflects a market value of \$272,609 or \$124.25 per square foot of living area, inclusive of the land, which is within the range established by the sales provided by the parties.

The board of review requested the subject's assessment be sustained, which appears appropriate when considering the comparable sales and Section 16-185 of the Property Tax Code. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
