

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Marina Loberant  
DOCKET NO.: 18-00240.001-R-1  
PARCEL NO.: 10-35-305-006

The parties of record before the Property Tax Appeal Board are Marina Loberant, the appellant; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$46,115  
**IMPR.:** \$134,554  
**TOTAL:** \$180,669

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame exterior construction with 3,790 square feet of living area. The dwelling was constructed in 1999. Features of the home include a partially finished full basement, central air conditioning, two fireplaces and a three-car garage with 678 square feet of building area. The property has a 28,314 square foot site and is located in Long Grove, Freemont Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$480,000 as of January 1, 2018. The appraisal was prepared by Dmitriy Furman a certified residential appraiser who completed the sales comparison approach to value for the subject property. In support of his value opinion of the subject, the appraiser utilized six comparable sales located within 0.32 of a mile from the subject property. The comparables have varying degrees of similarity when compared to the subject in location, design, age, dwelling size and features. The

comparables sold from June 2016 to December 2017 for prices ranging from \$405,000 to \$530,000 or from \$127.16 to \$147.10 per square foot of living area, land included. After adjustments, the comparables had adjusted values ranging from \$424,000 to \$511,500.

Based on this evidence, the appellant requested the subject's assessment be reduced to \$160,000 which equates to a market value of \$480,000 or \$126.66 per square foot of living area, land included when applying the statutory assessment level of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$180,669. The subject's assessment reflects a market value of \$546,158 or \$144.10 per square foot of living area, land included, when using the 2018 three year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review argued the Property Tax Appeal Board issued a decision pertaining to the subject property for the 2016 tax year under Docket Number 16-02783.001-R-1. In that appeal, the Property Tax Appeal Board issued a decision based on an agreement between the parties lowering the subject's assessment to \$166,191. The board of review argued the subject's 2018 assessment reflects the Property Tax Appeal Board's 2016 decision plus application of the 2017 and 2018 equalization factors of 1.0529 and 1.0325, respectively, as provided by section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). ( $\$166,191 \times 1.0529 \times 1.0325 = \$180,669$ )

Based on the foregoing, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The Property Tax Appeal Board finds that the subject property was the matter of an appeal before this Board for the 2016 tax year under Docket Number 16-02783.001-R-1. In that appeal, the Property Tax Appeal Board rendered a decision lowering the subject's assessment to \$166,191 based on an agreement by the parties. The Property Tax Appeal Board takes notice that Lake County's quadrennial general assessment period began in the 2015 tax year and continues through the 2018 tax year. The Board further finds that since the subject property is an owner occupied residence, section 16-185 of the Property Tax Code is controlling in this appeal (35 ILCS 200/16-185).

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The Board finds this record disclosed the subject property is an owner-occupied residence and that the 2015 through 2018 tax years are within the same general assessment period. The Board finds the record shows equalization factors of 1.0529 and 1.0325 were issued in Freemont Township for the 2017 and 2018 tax years, respectively. The record contains no evidence showing the Board's 2016 decision was reversed or modified upon review and there was no evidence the subject property sold in an arm's-length transaction establishing a different fair cash value. Therefore, applying the statutory requirements of section 16-185 of the Property Tax Code (35 ILCS 200/16-185) to the Board's prior 2016 decision results in an assessment of \$180,669. ( $\$166,191 \times 1.0529 \times 1.0325 = \$180,669$ ) The subject's final 2018 assessment as established by the board of review was \$180,669. Considering the statutory requirements of section 16-185 of the Property Tax Code (35 ILCS 200/16-185), the Property Tax Appeal Board finds no change in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
