

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Teodoro Carrillo  
DOCKET NO.: 18-00295.001-R-1  
PARCEL NO.: 07-18-205-023

The parties of record before the Property Tax Appeal Board are Teodoro Carrillo, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$16,667  
**IMPR.:** \$75,314  
**TOTAL:** \$91,981

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,109 square feet of living area. The dwelling was constructed in 1996. Features of the home include an unfinished basement, central air conditioning and a 462 square foot garage. The property has a 7,841 square foot site and is located in Gurnee, Warren Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on nine comparable sales located within 0.38 of a mile from the subject property. The comparables have sites that range in size from 7,405 to 12,632 square feet of land area and are improved with two-story dwellings of wood siding exterior construction that range in size from 2,109 to 2,372 square feet of living area. The homes were built in 1994 or 1995. Each comparable has a basement, seven with finished area, central air conditioning and a garage ranging in size from 441 to 682 square feet of building area. Six comparables each have

one fireplace. The comparables sold from January 2017 to March 2018 for prices ranging from \$245,000 to \$314,000 or from \$103.51 to \$136.51 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$82,243.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$91,981. The subject's assessment reflects a market value of \$278,056 or \$131.84 per square foot of living area, land included, when using the 2018 three year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on six comparable sales located within approximately 0.23 of a mile from the subject property. Board of review comparable #1 is the same property as the appellant's comparable #9. The comparables have sites that range in size from 7,841 to 10,019 square feet of land area and are improved with two-story dwellings of wood siding exterior construction that range in size from 2,107 to 2,226 square feet of living area. The homes were built in 1994 or 1995. Each comparable has a basement, four with finished area, central air conditioning and a garage ranging in size from 420 to 480 square feet of building area. Four comparables each have one fireplace. The comparables sold from May 2016 to June 2018 for prices ranging from \$267,000 to \$312,900 or from \$126.72 to \$148.36 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains 14 comparables for the Board's consideration as one comparable was common to both parties. The Board gave less weight to the appellant's comparable #1 which, based on its sale price per square foot, appears to be an outlier compared to all other sales in the record. The Board gave less weight to appellant's comparables #3 and #8 along with board of review comparable #3 due to dissimilar site sizes when compared to the subject. The Board gave less weight to the board of review comparable #4 which sold in May 2016 and is dated and less likely to be indicative of fair market value as of the subject's January 1, 2018 assessment date.

The Board finds the best evidence of market value to be appellant's comparables #2, #4, #5, #6, #7 and #9/board of review comparable #1 along with board of review comparables #2, #5 and #6. These comparables have varying degrees of similarity when compared to the subject in location, site size, age, design, dwelling size and features. These most similar comparables sold from March 2017 to June 2018 for prices ranging from \$265,000 to \$312,900 or from \$117.49 to \$148.36 per square foot of living area, including land. The subject's assessment reflects a market value of \$278,056 or \$131.84 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering adjustments

to the comparables for differences with the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
