

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Stan Logan
DOCKET NO.: 18-00341.001-R-1
PARCEL NO.: 12-21-304-086

The parties of record before the Property Tax Appeal Board are Stan Logan, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$115,836
IMPR.: \$178,852
TOTAL: \$294,688

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 3,270 square feet of living area. The dwelling was constructed in 1994. Features of the home include an unfinished basement, central air conditioning, two fireplaces and a 546 square foot garage. The property has a 10,002 square foot site and is located in Lake Bluff, Shields Township, Lake County.

The appellant through counsel contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.23 of a mile from the subject property. The comparables were improved with one, 2.25-story dwelling and two, 2-story dwellings of wood siding or brick exterior construction that ranged in size from 2,781 to 3,657 square feet of living area. The dwellings were built from 1948 to 1974 with comparable #1 having an effective age of 1975 and comparable #3 having an effective age

of 1973. The comparables have sites ranging in size from 19,619 to 23,456 square feet of land area. Two comparables have a basement with finished area, central air conditioning, one or two fireplaces and a garage ranging in size from 483 to 598 square feet of building area. The comparables sold from May to October 2017 for prices ranging from \$722,500 to \$955,000 or from \$218.19 to \$261.14 per square foot of living area, land included. Based on this evidence, the appellant requested that the assessment be reduced to \$272,473.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$294,688. The subject's assessment reflects a market value of \$890,834 or \$272.43 per square foot of living area, land included, when using the 2018 three year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted property record cards and information on three comparable sales located in the same neighborhood and within 0.112 of a mile from the subject property. The comparables have sites that contain either 10,200 or 10,454 square feet of land area. The comparables were improved with 2-story dwellings of wood siding exterior construction that ranged in size from 3,039 to 3,278 square feet of living area. The dwellings were built in 2002 or 2016. Each comparable has a basement with two comparables having finished area, central air conditioning, one or two fireplaces and a garage ranging in size from 480 to 540 square feet of building area. The comparables sold from March 2016 to April 2017 for prices ranging from \$875,000 to \$1,042,500 or from \$287.92 to \$328.97 per square foot of living area, land included. Based on this evidence, the board of review requested that the assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted six comparable sales for the Board's consideration. The board gave less weight to the appellant's comparables based on their larger site size, dissimilar age and /or lack of a basement when compared to the subject. The Board gave less weight to the board of review comparable #3 based on its dissimilar age when compared to the subject.

The Board finds the best evidence of market value to be the board of review comparable sales #1 and #2. The Board finds these comparables have varying degrees of similarity when compared to the subject in location, land size, age, dwelling size and features. These most similar comparables sold for prices of \$875,000 and \$1,042,500 or \$287.92 and \$328.97 per square foot of living area, including land. The subject's assessment reflects a market value of \$890,834 or \$272.43 per square foot of living area, including land, which is between the best comparable sales in this record on a total market value basis and below on a per square foot basis. After considering adjustments to the comparables for differences when compared to the subject, the

Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
