

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Emily Lane
DOCKET NO.: 18-00348.001-R-1
PARCEL NO.: 12-21-302-044

The parties of record before the Property Tax Appeal Board are Emily Lane, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$101,659
IMPR.: \$253,038
TOTAL: \$354,697

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of stucco exterior construction with 2,583 square feet of living area. The dwelling was constructed in 2005. Features of the home include a basement with finished area, central air conditioning, three fireplaces and a 360 square foot garage. The property has a 7,860 square foot site and is located in Lake Bluff, Shields Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located from 0.04 of a mile to 0.54 of a mile from the subject property. The comparables have sites ranging in size from 6,200 to 8,359 square feet of land area. The comparables were improved with one, 1.75-story dwelling and four, 2-story dwellings of wood siding, brick or stucco exterior construction that ranged in size from 2,352 to 2,966 square feet of living area. The dwellings were constructed from 1998 to

2005. Each comparable has a basement, with finished area, central air conditioning, one to three fireplaces and a detached or attached garage ranging in size from 441 to 504 square feet of building area. The comparables sold in December 2016 to November 2017 for prices ranging from \$800,000 to \$1,175,000 or from \$301.98 to \$416.67 per square foot of living area, land included. Based on this evidence, the appellant requested that the assessment be reduced to \$335,756.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$354,697. The subject's assessment reflects a market value of \$1,072,240 or \$415.11 per square foot of living area, land included, when using the 2018 three year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted property record cards and information on three comparable sales. The comparables are located from .07 of a mile to 1.089 miles from the subject property. Two comparables were also utilized by the appellant. The comparables have sites ranging in size from 6,200 to 8,129 square feet of land area. The comparables were improved with one, 1.75-story dwelling and two, 2-story dwellings of brick or wood siding exterior construction that ranged in size from 2,352 to 2,853 square feet of living area. The dwellings were built from 1999 to 2006. Each comparable has a basement with finished area, central air conditioning, one to three fireplaces and a detached garage containing either 441 to 462 square feet of building area. The comparables sold from July 2016 to November 2017 for prices ranging from \$980,000 to \$1,175,000 or from \$400.28 to \$416.58 per square foot of living area, land included. Based on this evidence, the board of review requested that the assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted six comparable sales for the Board's consideration. The appellant's comparables #4 and #5 are board of review's comparables #1 and #2, respectively. The Board gave little weight to the appellant's comparable #3 along with board of review comparable #3. These comparables sold in December 2016 and July 2016, which are dated and less likely to be indicative of fair market value as of the January 1, 2018 assessment date, respectively.

The Board finds the best evidence of market value to be the remaining comparables. These comparables have varying degrees of similarity when compared to the subject in location, site size, age, dwelling size and features. These most similar comparables sold for prices ranging from \$800,000 to \$1,175,000 or from \$301.98 to \$416.67 per square foot of living area, including land. The subject's assessment reflects a market value of \$1,072,240 or \$415.11 per square foot of living area, including land, which falls within the range established by the best

comparable sales in this record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this record, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
