

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Elmer Camposagrado
DOCKET NO.: 18-00445.001-R-1
PARCEL NO.: 07-06-309-015

The parties of record before the Property Tax Appeal Board are Elmer Camposagrado, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$34,705
IMPR.: \$101,983
TOTAL: \$136,688

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 3,550 square feet of living area. The dwelling was constructed in 2000. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 648 square foot garage. The property has a 20,344 square foot site and is located in Lake Villa, Warren Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on seven comparable sales located within 0.40 of a mile from the subject property. The comparables have sites that range in size from 12,197 to 21,780 square feet of land area and are improved with two-story dwellings of wood siding exterior construction that range in size from 3,012 to 3,916 square feet of living area. The homes were built from 1996 to 2001. Each comparable has a basement, five with finished area, central air conditioning,

one fireplace and a garage ranging in size from 620 to 765 square feet of building area. The comparables sold from November 2016 to January 2018 for prices ranging from \$290,000 to \$425,000 or from \$91.29 to \$108.53 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$119,505.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$136,688. The subject's assessment reflects a market value of \$413,204 or \$116.40 per square foot of living area, land included, when using the 2018 three year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within approximately 0.27 of a mile from the subject property. The comparables have sites that range in size to 11,761 to 13,068 square feet of land area and are improved with two-story dwellings of wood siding exterior construction that range in size from 3,414 to 3,586 square feet of living area. The homes were built from 1997 to 1999. Each comparable has a basement with finished area, central air conditioning, one fireplace and a garage ranging in size from 615 to 765 square feet of building area. The comparables sold from June 2017 to May 2018 for prices ranging from \$420,000 to \$455,000 or from \$119.61 to \$130.35 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven comparables for the Board's consideration. The Board gave less weight to appellant comparable #1 which sold in 2016 and is dated and less indicative of fair market value as of the subject's January 1, 2018 assessment date. The Board gave less weight to appellant comparables #2, #3, #5 and #6 along with board of review comparables due to their smaller site sizes when compared to the subject.

The Board finds the best evidence of market value to be appellant's comparables #4 and #7 which are more similar in location, design, age, site size and most features. Each of these two best comparables differ from the subject in their finished basement feature compared to the subject's unfinished basement. These most similar comparables sold in February 2017 or January 2018 for prices of \$357,000 or \$425,000 or for \$103.81 or \$108.53 per square foot of living area, including land. The subject's assessment reflects a market value of \$413,204 or \$116.40 per square foot of living area, including land, which falls within the overall value range and above the price per square foot range established by the best comparable sales in this record. After considering adjustments to the comparables for differences with the subject especially with

respect to site size and finished basement, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
