

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Glen Roeck
DOCKET NO.: 18-00455.001-R-1
PARCEL NO.: 07-02-205-027

The parties of record before the Property Tax Appeal Board are Glen Roeck, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$17,673
IMPR.: \$71,712
TOTAL: \$89,385

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2.0-story dwelling of wood siding exterior construction with 2,654 square feet of living area. The dwelling was constructed in 2008. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 400 square foot garage. The property has a 6,628 square foot site and is located in Waukegan, Warren Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 0.14 of a mile from the subject property. The comparables have sites that range in size from 6,600 to 10,303 square feet of land area and are improved with a 1.5-story and three, 2.0-story dwellings of wood siding exterior construction that range in size from 2,378 to 3,044 square feet of living area. The homes were built in 2005 or 2008. Each comparable has an unfinished basement, central air

conditioning and garage ranging in size from 400 to 628 square feet of building area. Three comparables each have one fireplace. The comparables sold from January 2016 to May 2018 for prices ranging from \$237,500 to \$319,900 or from \$97.74 to \$105.09 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$81,381.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$89,385. The subject's assessment reflects a market value of \$270,209 or \$101.81 per square foot of living area, land included, when using the 2018 three year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within approximately 0.14 of a mile from the subject property. Board of review comparables #1 through #4 are the same sales as the appellant's comparables #4, #1, #2 and #3, respectively. The comparables have sites that range in size from 6,600 to 10,303 square feet of land area and are improved with a 1.5-story and four, 2.0-story dwellings of wood siding exterior construction that range in size from 2,378 to 3,044 square feet of living area. The homes were built in 2005 or 2008. Each comparable has a basement, one with finished area, central air conditioning and a garage ranging in size from 400 to 628 square feet of building area. Four of the comparables each have one fireplace. The comparables sold from January 2016 to May 2018 for prices ranging from \$237,500 to \$319,900 or from \$97.74 and \$116.7 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains five comparables for the Board's consideration, where four of the comparables were common to both parties. The Board gave less weight to board of review comparable #5 due to its finished basement area compared to the subject's unfinished basement. The Board finds the best evidence of market value to be the four common comparables submitted by both parties even though two of these four sales are somewhat dated. These comparables have varying degrees of similarity to the subject in terms of design, site size, dwelling size and features and sold from January 2016 to May 2018 for prices ranging from \$237,500 to \$319,900 or from \$97.74 to \$105.09 per square foot of living area, including land. The subject's assessment reflects a market value of \$270,209 or \$101.81 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering adjustments to comparables for differences with the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
