

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Robert Kilburg, Jr.
DOCKET NO.: 18-00466.001-R-1
PARCEL NO.: 12-31-101-005

The parties of record before the Property Tax Appeal Board are Robert Kilburg, Jr., the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$125,328
IMPR.: \$137,710
TOTAL: \$263,038

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 3,597 square feet of living area. The dwelling was constructed in 1968. Features of the home include a partial basement with finished area, central air conditioning, a fireplace and a 529 square foot attached garage. The property has a 32,848 square foot site and is located in Lake Forest, Shields Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 1.04 miles from the subject property. The comparables have sites that range in size from 27,090 to 87,555 square feet of land area and are improved with two-story dwellings of brick or wood siding exterior construction that range in size from 2,938 to 4,048 square feet of living area. The homes were built from 1965 to 1979. Each comparable has a basement, one with finished area, central air

conditioning, one or two fireplaces and a garage ranging in size from 552 to 706 square feet of building area. The comparables sold from March 2017 to June 2018 for prices ranging from \$375,000 to \$745,000 or from \$127.64 to \$207.60 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$207,538.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$263,038. The subject's assessment reflects a market value of \$795,157 or \$221.06 per square foot of living area, land included, when using the 2018 three year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted a grid analysis and property record cards on four comparable sales located within approximately 0.84 of a mile from the subject property. The comparables have sites that range in size from 25,580 to 42,219 square feet of land area and are improved with two-story dwellings of brick exterior construction that range in size from 2,704 to 3,671 square feet of living area. The homes were built from 1967 to 1975. Each comparable has a basement, two with finished area, central air conditioning, one or two fireplaces and a garage ranging in size from 437 to 720 square feet of building area. Comparable #2 has an attached and a detached garage with 528 and 720 square feet of building area, respectively. The comparables sold from December 2016 to August 2017 for prices ranging from \$730,000 to \$900,000 or from \$230.18 to \$327.29 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven comparables for the Board's consideration. The Board gives less weight to appellant comparables #1 and #3. Comparable #1 has a sale price that appears to be an outlier relative to other comparable sales in the record and comparable #3 has a significantly larger site size when compared to the subject. The Board also gives less weight to board of review comparables #2 and #4. Comparable #2 has an additional garage which the subject lacks and comparable #4 sold in 2016 which is too remote in time to be indicative of market value as of the subject's January 1, 2018 assessment date. The Board finds the best evidence of market value to be appellant's comparable #2 along with board of review comparables #1 and #3 which are more similar to the subject in location, age, site size, dwelling size and most features. These comparables sold from July 2017 to May 2018 for prices ranging from \$650,000 to \$900,000 or from \$207.60 to \$254.81 per square foot of living area, including land. The subject's assessment reflects a market value of \$795,157 or \$221.06 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After

considering adjustments to the comparables for differences with the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
