

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sara Arnold
DOCKET NO.: 18-00497.001-R-1
PARCEL NO.: 12-20-213-014

The parties of record before the Property Tax Appeal Board are Sara Arnold, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$67,010
IMPR.: \$60,600
TOTAL: \$127,610

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of brick exterior construction with 1,376 square feet of living area. The dwelling was constructed in 1961. Features of the home include a full basement with 1,100 square feet of finished area, central air conditioning and a 484 square foot detached garage. The property has a 10,500 square foot site and is located in Lake Bluff, Shields Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.28 of a mile from the subject property. The comparables have sites that range in size from 10,585 to 11,375 square feet of land area and are improved with one-story dwellings of brick or wood siding exterior construction that range in size from 1,515 to 1,522 square feet of living area. The homes were built from 1956 to 1959. Each comparable has a basement with finished area, central air

conditioning, one or two fireplaces and a garage ranging in size from 484 to 550 square feet of building area. The comparables sold from October 2017 to June 2018 for prices ranging from \$335,000 to \$386,500 or from \$220.83 to \$253.94 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$107,402.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$127,610. The subject's assessment reflects a market value of \$385,762 or \$280.35 per square foot of living area, land included, when using the 2018 three year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within approximately 0.18 of a mile from the subject property. The comparables have sites that range in size from 10,500 to 12,176 square feet of land area that are improved with one-story dwellings of brick or wood siding exterior construction that range in size from 1,245 to 1,438 square feet of living area. The homes were built from 1953 to 1958. Each comparable has a basement, three with finished area and a garage ranging in size from 264 to 528 square feet of building area. Three of the comparables have central air conditioning and one fireplace. The comparables sold from May 2017 to August 2018 for prices ranging from \$360,000 to \$435,000 or from \$267.26 to \$316.13 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven comparables for the Board's consideration. The Board gave less weight to board of review comparable #1 for its unfinished basement. The Board finds the best evidence of market value to be appellant's comparables along with board of review comparables #2, #3 and #4 which are similar to the subject in terms of location, site, age, design, dwelling size, finished basement and most features. These most similar comparables sold from May 2017 to June 2018 for prices ranging from \$335,000 to \$435,000 or from \$220.83 to \$316.13 per square foot of living area, including land. The subject's assessment reflects a market value of \$385,762 or \$280.35 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering adjustments to the comparables for differences with the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
