

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Diane Rasor
DOCKET NO.: 18-00516.001-R-1
PARCEL NO.: 10-25-434-016

The parties of record before the Property Tax Appeal Board are Diane Rasor, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$22,758
IMPR.: \$46,271
TOTAL: \$69,029

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of vinyl siding exterior construction with 1,569 square feet of living area. The dwelling was constructed in 1956. Features of the home include an unfinished basement, central air conditioning and a 520 square foot garage. The property has a 13,865 square foot site and is located in Mundelein, Fremont Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 1.53 miles from the subject. The comparables have sites that range in size from 10,021 to 24,567 square feet of land area and are improved with one-story dwellings of brick or wood siding exterior construction that range in size from 1,274 to 1,660 square feet of living area. The homes were built from 1956 to 1959. Each comparable has a basement, two with finished area, a fireplace and a garage

ranging in size from 264 to 624 square feet of building area. Two comparables each have central air conditioning. The comparables sold from April 2017 to April 2018 for prices ranging from \$184,500 to \$210,000 or from \$126.51 to \$144.82 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$69,029.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$72,987. The subject's assessment reflects a market value of \$220,638 or \$140.62 per square foot of living area, land included, when using the 2018 three year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within approximately 0.63 of a mile from the subject. Board of review comparable #3 is the same sale as the appellant's comparable #3. The comparables have sites that range in size from 6,000 to 24,567 square feet of land area and are improved with one-story dwellings of wood siding exterior construction that range in size from 1,228 to 1,433 square feet of living area. The homes were built from 1952 to 1958. Two comparables have an unfinished basement; one has a crawlspace foundation; two comparables each have central air conditioning; two comparables each have one fireplace; and two comparables each have a garage with 480 or 483 square feet of building area. The comparables sold in April or May 2017 for prices ranging from \$180,000 to \$184,500 or from \$127.01 to \$146.58 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The record contains five comparables for the Board's consideration as one comparable was common to both parties. The Board gave less weight to the common comparable and board of review comparable #1 which have significantly smaller dwelling sizes when compared to the subject. The Board finds the best evidence of market value to be appellant's comparables #1 and #2, along with board of review comparable #2, which are more similar to the subject in terms of age, design and dwelling size and have varying degrees of similarity to the subject in location, site size and basement finish. These most similar comparables sold from April 2017 to April 2018 for prices ranging from \$182,000 to \$210,000 or from \$126.51 to \$130.29 per square foot of living area, including land. The subject's assessment reflects a market value of \$220,638 or \$140.62 per square foot of living area, including land, which falls above the range established by the best comparable sales in this record. After considering adjustments to the comparables for differences with the subject, the Board finds a reduction in the subject's assessment commensurate with the request is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
