

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Yuanjie Li
DOCKET NO.: 18-00517.001-R-1
PARCEL NO.: 10-34-302-019

The parties of record before the Property Tax Appeal Board are Yuanjie Li, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$45,608
IMPR.: \$266,794
TOTAL: \$312,402

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 6,695 square feet of living area. The dwelling was constructed in 2008. Features of the home include an unfinished basement, central air conditioning, two fireplaces and a 1,192 square foot garage. The property has a 40,001 square foot site and is located in Hawthorn Woods, Fremont Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 2.34 miles from the subject property. The comparables have sites that range in size from 40,075 to 79,829 square feet of land area and are improved with two-story dwellings of brick or wood siding exterior construction that range in size from 5,689 to 5,936 square feet of living area. The homes were built from 1999 to 2006. Each comparable has a basement, three with finished area, central air

conditioning, one to four fireplaces and a garage ranging in size from 880 to 1,878 square feet of building area.¹ The comparables sold from March 2017 to April 2018 for prices ranging from \$680,000 to \$865,000 or from \$119.03 to \$147.69 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$270,005.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$312,402. The subject's assessment reflects a market value of \$944,383 or \$141.06 per square foot of living area, land included, when using the 2018 three year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 2.34 miles from the subject property. Board of review comparable #1 is the same sale as the appellant's comparable #4. The comparables have sites that range in size from 23,021 to 62,291 square feet of land area and are improved with two-story dwellings of brick exterior construction that range in size from 5,667 to 6,253 square feet of living area. The homes were built from 1999 to 2008. Each comparable has a basement, two with finished area, central air conditioning, one to four fireplaces and a garage ranging in size from 726 to 1,111 square feet of building area. The comparables sold from May 2016 to April 2018 for prices ranging from \$806,000 to \$900,000 or from \$128.90 to \$158.81 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains seven comparables for the Board's consideration, as one comparable was submitted by both parties. The Board finds that the comparables submitted have varying degrees of similarity to the subject in location, site size, dwelling size and features. The Board gave less weight to appellant comparables #1 and #2, the common comparable and board of review comparable #4 which all have a finished basement dissimilar when compared to the subject.

The Board finds the best evidence of market value to be appellant's comparable #1 and board of review comparables #2 and #3 which are similar to the subject in age and design and have unfinished basements. Each of these comparables has a smaller dwelling size when compared to the subject suggesting an upward adjustment. These comparables sold in May 2016 or March 2017 for prices ranging from \$680,000 to \$900,000 or from \$119.03 or \$158.81 per square foot of living area, including land. The subject's assessment reflects a market value of \$944,383 or

\$141.06 per square foot of living area, including land, which is above the overall value range and within the price per square foot range established by the best comparable sales in this record. The subject's higher overall value is reflective of its larger dwelling size relative to the comparable sales. After considering adjustments to the comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
