

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Trushar Ray  
DOCKET NO.: 18-00528.001-R-1  
PARCEL NO.: 06-32-410-008

The parties of record before the Property Tax Appeal Board are Trushar Ray, the appellant, by attorney Ronald Kingsley of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$14,054  
**IMPR.:** \$88,633  
**TOTAL:** \$102,687

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of vinyl siding exterior construction with 3,461 square feet of living area. The dwelling was constructed in 2004. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 589 square foot garage. The property has a 9,100 square foot site and is located in Round Lake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales located from .08 to .47 of a mile from the subject property and within the same neighborhood code assigned by the assessor as the subject. The comparables have sites ranging in size from 9,100 to 12,808 square feet of land area. The comparables consist of two-story dwellings of vinyl siding exterior construction containing either 3,142 or 3,787 square of feet of living area. The dwellings were constructed

from 2002 to 2004. Each comparable features an unfinished basement, central air conditioning and a 528 or 701 square foot garage. In addition, four comparables each have one fireplace. The comparables sold from March to August 2017 for prices ranging from \$252,500 to \$312,000 or from \$80.36 to \$88.48 per square foot of living area, including land. Based on this evidence, the appellant requested the subject's assessment be reduced to \$94,592.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$102,687. The subject's assessment reflects a market value of \$310,420 or \$89.69 per square foot of living area, land included, when using the 2018 three-year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales located from approximately .28 to .34 of a mile from the subject property and within the same neighborhood code assigned by the assessor as the subject. The comparables have sites ranging in size from 9,100 to 12,183 square feet of land area. The comparables were improved with two-story dwellings of vinyl siding exterior construction containing either 3,433 or 3,513 square feet of living area. The dwellings were constructed in 2005 and 2006. The comparables each feature a basement with one having finished area, central air conditioning, one fireplace and a 609 or 682 square foot garage. The comparables sold from May 2016 to August 2018 for prices ranging from \$294,000 to \$315,000 or from \$85.64 to \$91.76 per square foot of living area, including land. Based on this evidence, the board of review requested the subject's assessment be sustained.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The parties submitted ten suggested comparable sales for the Board's consideration. The Board finds board of review comparables #3, #4 and #5 sales occurred in 2016 which are dated and less likely to be indicative of the subject's market value as of the January 1, 2018 assessment date.

The Board finds the best evidence of market value to be the remaining seven comparables. These properties are similar to the subject in location, design and age, with varying degrees of similarity in dwelling size and features. They sold from March 2017 to August 2018 for prices ranging from \$252,500 to \$315,000 or from \$80.36 to \$91.76 per square foot of living area, including land. The subject's assessment reflects a market value of \$310,420 or \$89.69 per square foot of living area, land included, which falls within the range established by the best comparable sales in the record. After considering any necessary adjustments to the comparables for differences when compared to the subject, the Board finds the estimated market value as reflected by the assessment is supported and no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
