

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Chris Soetarman
DOCKET NO.: 18-00552.001-R-1
PARCEL NO.: 06-36-111-018

The parties of record before the Property Tax Appeal Board are Chris Soetarman, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$19,707
IMPR.: \$81,628
TOTAL: \$101,335

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of vinyl siding exterior construction with 2,380 square feet of living area. The dwelling was constructed in 1998. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 454 square foot garage. The property has a 7,540 square foot site and is located in Grayslake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.10 of a mile from the subject property. The comparables have sites that range in size from 7,540 to 10,030 square feet of land area and are improved with two-story dwellings of vinyl siding exterior construction that range in size from 2,004 to 2,393 square feet of living area. The homes were built in 1997. Each comparable has an unfinished basement, central air conditioning, one fireplace and a garage

ranging in size from 400 to 454 square feet of building area. The comparables sold from May 2016 to October 2017 for prices ranging from \$224,900 to \$263,000 or from \$93.98 to \$127.25 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$95,984.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$101,335. The subject's assessment reflects a market value of \$306,333 or \$128.71 per square foot of living area, land included, when using the 2018 three year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within approximately 0.54 of a mile from the subject property. The comparables have sites that range in size from 7,405 to 10,744 square feet of land area and are improved with two-story dwellings of vinyl siding exterior construction that range in size from 2,218 to 2,582 square feet of living area. The homes were built from 1991 to 2001. Each comparable has a basement, one with finished area, central air conditioning, one fireplace and a garage ranging in size from 420 to 503 square feet of building area. The comparables sold from June 2016 to June 2018 for prices ranging from \$280,000 to \$360,000 or from \$126.24 to \$142.46 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds this burden of proof was not met and a reduction in the subject's assessment is not warranted.

The parties submitted eight comparables for the Board's consideration. The Board gave less weight to the appellant's comparables #1 and #2 as well as board of review comparable #5 which all sold in 2016 and are thus dated and less indicative of fair market value as of the subject's January 1, 2018 assessment date. The Board gave less weight to appellant's comparable #3 which was identified as an unqualified sale and calls into question of whether this sale represents an arm's length transaction. The Board gave less weight to board of review comparable #2 which has a finished basement compared to the subject's unfinished basement.

The Board finds the best evidence of market value to be board of review comparables #1, #3 and #4 which are more similar to the subject in location, design, age, dwelling size and features. These most similar comparables sold in May or June 2018 for prices ranging from \$280,000 to \$360,000 or from \$126.24 to \$142.46 per square foot of living area, including land. The subject's assessment reflects a market value of \$306,333 or \$128.71 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering adjustments to the comparables, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
