

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kami Yee
DOCKET NO.: 18-00558.001-R-1
PARCEL NO.: 04-04-402-018

The parties of record before the Property Tax Appeal Board are Kami Tee, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$8,003
IMPR.: \$59,551
TOTAL: \$67,554

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of wood siding exterior construction with 1,685 square feet of living area. The dwelling was constructed in 1999. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 462 square foot garage. The property has a 10,640 square foot site and is located in Winthrop Harbor, Benton Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 1.05 miles from the subject property. The comparables have sites that range in size from 9,288 to 15,960 square feet of land area and are improved with one-story dwellings of brick or wood siding exterior construction that range in size from 1,368 to 1,804 square feet of living area. The homes were built from 1975 to 2004. Each comparable has an unfinished basement, central air conditioning,

one fireplace and one or two garages ranging in size from 440 to 1,124 square feet of combined building area. The comparables sold from May 2016 to April 2018 for prices ranging from \$179,000 to \$195,000 or from \$108.09 and \$130.85 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$63,462.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$67,554. The subject's assessment reflects a market value of \$204,214 or \$121.20 per square foot of living area, land included, when using the 2018 three year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within approximately 0.66 of a mile from the subject property. Board of review comparables #1, #3 and #4 are the same sales as the appellant's comparables #3, #5 and #4, respectively. The comparables have sites with either 9,288 or 15,960 square feet of land area and are improved with one-story dwellings of brick or wood siding exterior construction that range in size from 1,368 to 1,750 square feet of living area. The homes were built from 1975 to 2004. Each comparable has an unfinished basement, central air conditioning, one fireplace and one or two garages ranging in size from 440 to 1,324 square feet of combined building area. The comparables sold from May 2016 to October 2018 for prices ranging from \$179,000 to \$235,000 or from \$120.44 to \$134.29 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains six comparables for the Board's consideration as three of the comparables are common to both parties. The Board gave less weight to the common appellant's comparables #3, #4 and #5/board of review comparables #1, #3 and #4 which are significantly older dwellings compared to the subject property. The Board gave less weight to appellant's comparable #2 which is located more than a mile from the subject and sold in 2016 which is dated and less indicative of fair market value as of the subject's January 1, 2018 assessment date.

The Board finds the best evidence of market value to be appellant's comparable #1 and board of review comparable #2 which are more similar to the subject in terms of location, design, age and dwelling size. These comparables each have larger sites than the subject and one has an additional garage compared to the subject. These two comparables sold in December 2017 and October 2018 for prices of \$195,000 and \$235,000 or for \$108.09 and \$134.29 per square foot of living area, including land. The subject's assessment reflects a market value of \$204,214 or \$120.20 per square foot of living area, including land, which is between the best comparable

sales in this record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
