

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Diane Florio
DOCKET NO.: 18-00562.001-R-1
PARCEL NO.: 04-05-307-013

The parties of record before the Property Tax Appeal Board are Diane Florio, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$14,170
IMPR.: \$63,240
TOTAL: \$77,410

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,484 square feet of living area. The dwelling was constructed in 1991. Features of the home include an unfinished basement, central air conditioning, a fireplace, a 613 square foot attached garage and a 624 square foot detached garage. The property has a 40,075 square foot site and is located in Winthrop Harbor, Benton Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.30 of a mile from the subject property. The comparables have sites that range in size from 12,750 to 47,480 square feet of land area and are improved with two-story dwellings of wood siding exterior construction that range in size from 2,528 to 2,637 square feet of living area. The homes were built from 1987 to 2005. Each comparable has an unfinished basement, central air conditioning and a

garage ranging in size from 550 to 1,312 square feet of building area. Two of the comparables each have one fireplace. The comparables sold from October 2016 to February 2018 for prices ranging from \$179,900 to \$239,500 or from \$71.16 to \$90.82 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$62,922.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$77,410. The subject's assessment reflects a market value of \$234,008 or \$94.21 per square foot of living area, land included, when using the 2018 three year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted a grid analysis and property record cards on the subject and four comparable sales located within approximately 0.34 of a mile from the subject property. The comparables have sites that range in size from 40,075 to 64,468 square feet of land area and are improved with two-story dwellings of wood siding exterior construction that range in size from 1,996 to 2,327 square feet of living area. The homes were built from 1986 to 2007. Each of the comparables has an unfinished basement, one fireplace and an attached garage ranging in size from 500 to 704 square feet of building area. Comparables #3 and #4 also feature a detached garage with either 624 or 832 square feet of building area. Three of the comparables each have central air conditioning and comparable #2 has an inground swimming pool. The comparables sold from July 2016 to September 2018 for prices ranging from \$205,000 to \$250,000 or from \$94.54 to \$120.54 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven comparables for the Board's consideration. The Board gave less weight to appellant comparable #1 and board of review comparables #3 and #4 as their 2016 sales are dated and less indicative of fair market value as of the subject's January 1, 2018 assessment date. The Board finds the best evidence of market value to be appellant's comparables #2 and #3, along with board of review comparables #1 and #2 which are similar to the subject in terms of location, design, dwelling size and features. These comparables sold from April 2017 to September 2018 for prices ranging from \$195,000 to \$250,000 or from \$75.00 to \$120.54 per square foot of living area, including land. The subject's assessment reflects a market value of \$234,008 or \$94.21 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
