

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Lucille Belli
DOCKET NO.: 18-00565.001-R-1
PARCEL NO.: 02-15-303-019

The parties of record before the Property Tax Appeal Board are Lucille Belli, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$21,764
IMPR.: \$118,390
TOTAL: \$140,154

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.5-story dwelling of wood siding exterior construction with 3,474 square feet of living area. The dwelling was constructed in 1999. Features of the home include a basement with finished area, central air conditioning, a fireplace and a 736 square foot garage. The property has a 42,359 square foot site and is located in Antioch, Antioch Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six comparable sales located within 2.20 miles from the subject property. The comparables have sites that range in size from 38,693 to 62,722 square feet of land area and are improved with 2.0-story dwellings of brick or wood siding exterior construction that range in size from 2,571 to 3,848 square feet of living area. The homes were built from 1989 to 2008. Each comparable has a basement, five with finished area, central air

conditioning, one fireplace and a garage ranging in size from 694 to 1,024 square feet of building area. The comparables sold from December 2015 to August 2017 for prices ranging from \$285,000 to \$467,500 or from \$102.13 to \$133.00 per square foot of living area, land included.

The appellant's counsel submitted the Multiple Listing Service (MLS) sheet associated with his comparable sale #6 as support for the June 2016 sale. The MLS described the property as being a recent rehab and "larger than recorded" with approximate square foot of 3,000 which differs from the 2,571 square foot dwelling size reported in the submitted grid. Based on this evidence, the appellant requested the subject's assessment be reduced to \$128,525.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$140,154. The subject's assessment reflects a market value of \$423,682 or \$121.96 per square foot of living area, land included, when using the 2018 three year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within approximately 1.09 miles from the subject property. Board of review comparables #1, #2 and #3 are the same sales as the appellant's comparables #2, #4 and #1, respectively. The comparables have sites that range in size from 40,075 to 52,175 square foot of land area and are improved with 2.0-story dwellings of brick or wood siding exterior construction that range in size from 3,254 to 3,768 square feet of living area. The homes were built from 1992 to 2002. Each of the comparables has a basement, two with finished area, central air conditioning, one or two fireplaces and a garage ranging in size from 694 to 863 square feet of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains seven comparables for the Board's consideration as three of the comparables were common to both parties. The Board gave less weight to appellant's comparables #1, #3, #5 and #6, along with board of review comparables #4, which includes one common comparable, due to sale dates in 2015 or 2016 that are dated and less indicative of fair market value as of the subject's January 1, 2018 assessment date. The Board finds the best evidence of market value to be the common appellant's comparables #2 and #4/board of review comparables #1 and #2, respectively, which are similar to the subject in location, age, site, dwelling size and features. These two comparables sold in January and August 2017 for prices of \$455,000 and \$467,500 or \$120.75 and \$133.00 per square foot of living area, including land. The subject's assessment reflects a market value of \$423,682 or \$121.96 per square foot of living area, including land, which falls below the overall value and between the price per square foot established by the best

comparable sales in this record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the subject's assessment seems well supported and a reduction is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
