

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Susan DeDonato
DOCKET NO.: 18-00605.001-R-1
PARCEL NO.: 06-24-204-065

The parties of record before the Property Tax Appeal Board are Susan DeDonato, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$36,806
IMPR.: \$45,611
TOTAL: \$82,417

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 1,496 square feet of living area. The dwelling was constructed in 1988. Features of the home include a crawl space foundation, central air conditioning and a 484 square foot garage. The property has a 9,700 square foot lakefront site and is located in Third Lake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.24 of a mile from the subject property and have varying degrees of similarity when compared to the subject in location, age, dwelling size and features. The comparables sold from May 2017 to May 2018 for prices ranging from \$248,000 to \$410,000 or from \$92.33 to \$169.49 per square foot of living area, land included.

The appellant's counsel also submitted Multiple Listing Service (MLS) sheets on comparables #1 and #3 in support of the sale price include in the grid analysis. Based on this evidence, the appellant requested the subject's assessment be reduced to \$72,299.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$82,417. The subject's assessment reflects a market value of \$249,144 or \$166.54 per square foot of living area, land included, when using the 2018 three year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review argued the Property Tax Appeal Board issued a decision pertaining to the subject property for the 2017 tax year under Docket Number 17-01648.001-R-1. In that appeal, the Property Tax Appeal Board issued a decision based on an agreement between the parties lowering the subject's assessment to \$77,525. The board of review argued the subject's 2018 assessment reflects the Property Tax Appeal Board's 2017 decision plus application of the 2018 equalization factor of 1.0631, as provided by section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). ($\$77,525 \times 1.0631 = \$82,417$)

The board of review also submitted a grid analysis and property record cards on the subject and four comparable sales located within approximately 0.68 of a mile from the subject property. The comparables have varying degrees of similarity when compared to the subject in location, design, age, dwelling size and features. The comparables sold from September 2016 to August 2018 for prices ranging from \$242,000 to \$265,000 or from \$167.91 to \$179.78 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The Property Tax Appeal Board finds that the subject property was the matter of an appeal before this Board for the 2017 tax year under Docket Number 17-01648.001-R-1. In that appeal, the Property Tax Appeal Board rendered a decision lowering the subject's assessment to \$77,525 based on an agreement by the parties. The Property Tax Appeal Board takes notice that Lake County's quadrennial general assessment period began in the 2015 tax year and continues through the 2018 tax year. The Board further finds that since the subject property is an owner occupied residence, section 16-185 of the Property Tax Code is controlling in this appeal (35 ILCS 200/16-185).

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash

value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The Board finds this record disclosed the subject property is an owner-occupied residence and that the 2015 through 2018 tax years are within the same general assessment period. The Board finds the record shows an equalization factor of 1.0631 was issued in Avon Township for the 2018 tax year. The record contains no evidence showing the Board's 2017 decision was reversed or modified upon review and there was not evidence the subject property sold in an arm's-length transaction establishing a different fair cash value. Therefore, applying the statutory requirements of section 16-185 of the Property Tax Code (35 ILCS 200/16-185) to the Board's prior 2017 decision results in an assessment of \$82,417. ($\$77,525 \times 1.0631 = \$82,417$) The subject's final 2018 assessment as established by the board of review was \$82,417 . Considering the statutory requirements of section 16-185 of the Property Tax Code (35 ILCS 200/16-185), the Property Tax Appeal Board finds no change in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
