

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Stanley Peters
DOCKET NO.: 18-00672.001-R-1
PARCEL NO.: 12-31-303-010

The parties of record before the Property Tax Appeal Board are Stanley Peters, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$135,913
IMPR.: \$304,743
TOTAL: \$440,656

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 3,595 square feet of living area. The dwelling was constructed in 1995. Features of the home include a full unfinished basement, central air conditioning, two fireplaces and an 840 square foot garage. The property has a 30,492 square foot site and is located in Lake Forest, Shields Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$1,250,000 as of January 1, 2016. The appraisal was prepared by William P. Neberieza, a State Certified General Appraiser. In estimating the market value of the subject property, the appraisers developed the sales comparison approach to value utilizing three comparable sales located from .35 of a mile to 1.74 miles from the subject property. The comparables sold in

April to December 2015 for \$1,050,000 to \$1,300,000 or from \$200.57 to \$299.15 per square foot of living area, including land. After applying adjustments to the comparables for differences when compared to the subject, the comparables had adjusted sale prices from \$956,000 to \$1,252,200. Based on this evidence, the appellant requested a reduction in the subject's total assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$440,656. The subject's assessment reflects a market value of \$1,332,092 or \$289.90 per square foot of living area, land included, when using the 2018 three-year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review argued the Property Tax Appeal Board issued a decision pertaining to the subject property for the prior 2016 tax year under Docket Number 16-04841.001-R-1. In that appeal, the Property Tax Appeal Board issued a decision based on an agreement between the parties lowering the subject's assessment to \$433,290. The board of review argued that if the subject's assessment for the 2018 tax year was calculated by applying the 2017 and 2018 equalization factors of 1.0506 and 1.0170 to the Property Tax Appeal Board's 2016 decision, as provided by section 16-185 of the Property Tax Code (35 ILCS 200/16-185), the subject's 2018 assessment would be \$462,953, which is greater than the subject's current assessment of \$440,656.

The board of review also submitted a grid analysis and property record cards for the subject and four comparable sales. The comparables have varying degrees of similarity to the subject in location, dwelling size, design, age and features. The sales occurred from May 2016 to January 2018 for prices ranging from \$1,137,500 to \$1,550,000 or from \$304.96 to \$393.60 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The Property Tax Appeal Board finds the subject property was the matter of an appeal before the Board for the 2016 tax year under Docket Number 16-04841.001-R-1. In that appeal, the Property Tax Appeal Board rendered a decision reducing the subject's assessment to \$433,290 based on an agreement between the parties. The Property Tax Appeal Board takes notice that Lake County's quadrennial general assessment period began in the 2015 tax year and continues through the 2018 tax year. The Board further finds section 16-185 of the Property Tax Code is controlling in this appeal. (35 ILCS 200/16-185).

Section 16-185 of the Property Tax Code provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash

value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review. (35 ILCS 200/16-185)

The Board finds this record disclosed the subject property is an owner-occupied residence and the 2015 through 2018 tax years are within the same general assessment period. The Board finds the record shows equalization factors of 1.0506 and 1.0170 for tax years 2017 and 2018 were applied in Shields Township for non-farm properties. The record contains no evidence showing the Board's 2016 decision was reversed or modified upon review and there was no evidence that the subject property sold in an arm's-length transaction establishing a different fair cash value. Applying section 16-185 of the Property Tax Code (35 ILCS 200/16-185) to the Board's prior 2016 decision results in an assessment of \$462,953 ($\$433,290 \times 1.0506 \times 1.0170 = \$462,953$), which is greater than the 2018 assessment of the subject property of \$440,656 as referenced by the board of review. Since the board of review requested confirmation of the subject's assessment, the Property Tax Appeal Board finds that no increase in the subject's assessment is justified in this appeal.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
