

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: B & D Ravenel, LLC  
DOCKET NO.: 18-00834.001-C-1  
PARCEL NO.: 08-02.0-102-005

The parties of record before the Property Tax Appeal Board are B & D Ravenel, LLC, the appellant, by attorney Kara LeChien, of The Law Offices of LeChien & Waltrip, P.C. in Belleville, and the St. Clair County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the **St. Clair** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$31,846  
**IMPR.:** \$9,820  
**TOTAL:** \$41,666

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a Final Administrative Decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) in order to challenge the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story commercial office building of frame exterior construction with approximately 2,276 square feet of building area. The structure was built in 2000 and has a reported effective age of 20 years. Features include a concrete slab foundation, central air conditioning and a concrete parking lot for four cars. The property has a 24,812 square foot site and is located in Swansea, St. Clair Township, St. Clair County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal prepared by Kenworth Johnston estimating the subject property had a market value of \$125,000 as of December 27, 2016. The appraiser utilized both the sales comparison and income approaches to value giving equal weight to both estimates to arrive at the appraised value conclusion.

The appellant also submitted a copy of the Final Administrative Decision of the Property Tax Appeal Board issued in Docket No. 17-04363.001-C-1 based upon a stipulation of the parties. The appellant also reported the subject property had a total 2018 assessment of \$47,352 reflecting a market value of \$141,857 or \$62.33 per square foot of building area, including land, when using the 2018 three-year average median level of assessment for St. Clair County of 33.38% as determined by the Illinois Department of Revenue.

Based upon the foregoing appraisal evidence, the appellant requested the subject's assessment reflect the appraised value at \$41,666.

The board of review did not submit its "Board of Review Notes on Appeal" nor any evidence in support of its assessed valuation of the subject property and was found to be in default by a letter issued on October 10, 2019.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value to be the appraisal submitted by the appellant with an estimated market value of \$125,000. The subject's assessment reflects a market value of \$141,857, which is above the appraised value presented by the appellant. The board of review did not submit any evidence in support of its assessment of the subject property as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and was found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a) & §1910.69(a). The Board has examined the evidence submitted by the appellant and finds that a reduction in the assessed valuation of the subject property commensurate with the appellant's request is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
