

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joshua Kumin  
DOCKET NO.: 18-01188.001-R-1  
PARCEL NO.: 16-31-208-024

The parties of record before the Property Tax Appeal Board are Joshua Kumin, the appellant, by attorney Abby L. Strauss, of Schiller Strauss & Lavin PC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$62,077  
**IMPR.:** \$102,264  
**TOTAL:** \$164,341

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,317 square feet of living area. The dwelling was constructed in 1966. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 420 square foot garage. The property is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within .07 of a mile from the subject property. The comparables are improved with two-story dwellings of wood siding or brick exterior construction ranging in size from 2,189 to 2,604 square feet of living area. The dwellings were constructed in 1964 or 1966. The comparables have basements, with one having finished area. Each comparable has central air conditioning, a fireplace and a garage ranging in size from 420 to 525 square feet of building area. The comparables sold from November 2017 to

June 2018 for prices ranging from \$399,000 to \$433,900 or from \$157.45 to \$198.22 per square foot of living area, land included. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$164,341. The subject's assessment reflects a market value of \$496,799 or \$214.41 per square foot of living area, land included, when using the 2018 three year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted a grid analysis and property record cards for the subject and four comparable sales located within .258 of a mile from the subject property. The comparables are improved with two-story dwellings of wood siding exterior construction that range in size from 2,189 to 2,356 square feet of living area. The dwellings were constructed from 1965 to 1973. The comparables have basements, with two having finished area. Each comparable has central air conditioning, a fireplace and a garage ranging in size from 440 to 504 square feet of building area. The comparables sold from October 2017 to June 2018 for prices ranging from \$510,000 to \$595,750 or from \$216.47 to \$255.58 per square foot of living area, land included. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds seven comparable sales were submitted by the parties in support of their respective positions. The Board gave less weight to the appellant's comparable sales #1 and #2 along with board of review comparables #1 and #3 due to their larger dwelling size and/or superior finished basement area when compared to the subject.

The Board finds the best evidence of market value to be the appellant's comparable #3 and board of review comparables #2 and #4. These comparables are most similar to the subject in location, design, dwelling size, age and features. The comparables sold from October 2017 to June 2018 for prices ranging from \$399,000 to \$511,000 or from \$175.38 to \$233.44 per square foot of living area, including land. The subject's assessment reflects a market value of \$496,799 or \$214.41 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
