

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Tom Garrity
DOCKET NO.: 18-01251.001-R-1
PARCEL NO.: 14-01-101-013

The parties of record before the Property Tax Appeal Board are Tom Garrity, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$42,985
IMPR.: \$180,348
TOTAL: \$223,333

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 4,624 square feet of living area. The dwelling was constructed in 2005. Features of the home include an unfinished basement, central air conditioning, two fireplaces and a 1,125 square foot garage. The property is located in Long Grove, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within .91 of a mile from the subject property. The comparables are improved with two-story dwellings of wood siding or brick exterior construction ranging in size from 3,603 to 4,239 square feet of living area. The dwellings were constructed from 1991 to 2002. The comparables have unfinished basements, central air conditioning, one or three fireplaces and a garage ranging in size from 661 to 824 square feet of building area. The comparables sold from July 2017 to March 2018 for prices

ranging from \$530,000 to \$560,000 or from \$126.92 to \$147.10 per square foot of living area, land included. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$238,196. The subject's assessment reflects a market value of \$720,060 or \$155.72 per square foot of living area, land included, when using the 2018 three year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted a grid analysis and property record cards for the subject and three comparable sales located within .41 of a mile from the subject property. Board of review comparable sale #1 was submitted by the appellant as comparable #2. The comparables are improved with two-story dwellings of wood siding or brick exterior construction that range in size from 3,814 to 4,493 square feet of living area. The dwellings were constructed from 1992 to 2006. The comparables have unfinished basements, central air conditioning, one or three fireplaces and a garage ranging in size from 715 to 912 square feet of building area. The comparables sold from August 2016 to August 2018 for prices ranging from \$560,000 to \$760,000 or from \$139.79 to \$199.27 per square foot of living area, land included. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds five comparable sales were submitted by the parties in support of their respective positions, with one comparable common to both parties. The Board gave less weight to the appellant's comparable sale #3 which is located outside of the subject's neighborhood. The board gave less weight to board of review comparable sale #3 due to its sale occurring in August 2016, which is dated and less likely to be indicative of the subject's market value as of the January 1, 2018 assessment date.

The Board finds the best evidence of market value to be the parties' remaining comparables, which includes the common comparable. These comparables sold proximate in time to the assessment date at issue and are located in the subject's neighborhood. The comparables sold from August 2017 to August 2018 for prices ranging from \$538,000 to \$700,000 or from \$126.92 to \$155.80 per square foot of living area, including land. The subject's assessment reflects a market value of \$720,060 or \$155.72 per square foot of living area, including land, which is supported by only one comparable sale on a per square foot basis due to its significantly larger site size than the subject's site size. Therefore, after considering adjustments to the comparables for differences when compared to the subject like site size, the Board finds the

subject's estimated market value as reflected by its assessment is excessive. Based on this evidence, the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
