

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Laura Floyd
DOCKET NO.: 18-01276.001-R-1
PARCEL NO.: 16-28-118-006

The parties of record before the Property Tax Appeal Board are Laura Floyd, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$54,587
IMPR.: \$109,436
TOTAL: \$164,023

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a tri-level dwelling of brick exterior construction with 1,652 square feet of above grade living area. The dwelling was constructed in 1961. Features of the home include a finished lower level, central air conditioning and a 525 square foot garage. The property is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales with varying degrees of similarity to the subject in location, design, dwelling size, age and features. The comparables sold from April 2017 to September 2018 for prices ranging from \$361,540 to \$485,000 or from \$234.77 to \$293.58 per square foot of above grade living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$164,023. The subject's assessment reflects a market value of \$495,837 or \$300.14 per square foot of above grade living area, land included, when using the 2018 three year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted a decision from the Property Tax Appeal Board pertaining to the subject property for the 2016 tax year under Docket Number 16-02234.001-R-1. In that appeal, the Property Tax Appeal Board issued a decision based on an agreement by the parties lowering the subject's assessment to \$157,318. The board of review argued that the subject's assessment for the 2018 tax year was calculated by applying the 2017 and 2018 equalization factors of 1.0393 and 1.0032, respectively, to the Property Tax Appeal Board's 2016 decision, as provided by section 16-185 of the Property Tax Code (35 ILCS 200/16-185), such that the subject's 2018 assessment would be \$164,023, which is equal to the subject's current assessment of \$164,023.

The board of review also submitted information on four comparable sales with varying degrees of similarities to the subject in location, design, age, dwelling size and features. The comparables sold from July 2016 to May 2018 for prices ranging from \$466,000 to \$530,000 or from \$293.58 to \$371.67 per square foot of above grade living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds, pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) a reduction in the subject's assessment is not warranted.

First, the Property Tax Appeal Board finds the subject property was the matter of an appeal before the Board for the 2016 tax year under Docket Number 16-02234.001-R-1. In that appeal, the Property Tax Appeal Board rendered a decision reducing the subject's assessment to \$157,318 based on an agreement by the parties. The Property Tax Appeal Board finds from the "Board of Review Notes on Appeal" that Lake County's quadrennial general assessment period began in the 2015 tax year. The Board further finds section 16-185 of the Property Tax Code is controlling in this appeal. (35 ILCS 200/16-185).

Section 16-185 of the Property Tax Code provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction

establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review. (35 ILCS 200/16-185)

The Board finds this record disclosed the subject property is an owner-occupied residence and the 2016 through 2018 tax years are within the same general assessment period. The Board finds the record shows equalization factors of 1.0393 and 1.0032, respectively, for tax years 2017 and 2018 were applied in West Deerfield Township. The record contains no evidence showing the Board's 2016 decision was reversed or modified upon review and there was no evidence that the subject property sold in an arm's-length transaction establishing a different fair cash value. Applying section 16-185 of the Property Tax Code (35 ILCS 200/16-185) to the Board's prior 2016 decision results in an assessment of \$164,023 ($\$157,318 \times 1.0393 \times 1.0032 = \$164,023$), which reflects the assessment from the final decision issued by the Lake County Board of Review. Therefore, the Board finds the subject's current assessment of \$164,023 complies with the statutory mandate provided by section 16-185 of the Property Tax Code. (35 ILCS 200/16-185).

Lastly, the Board finds the recent comparable sales submitted by the parties sold for prices ranging from \$361,540 to \$530,000 or from \$234.77 to \$371.67 per square foot of living area, including land. The subject's 2018 assessment reflects a market value of \$495,837 or \$300.14 per square foot of above grade living area, including land, which falls within the range established by the comparable sales in this record. The Board finds the subject's assessment is not overvalued.

For these reasons, the Board finds that a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
