

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ronald Meyerson  
DOCKET NO.: 18-01295.001-R-1  
PARCEL NO.: 14-12-305-018

The parties of record before the Property Tax Appeal Board are Ronald Meyerson, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$35,225  
**IMPR.:** \$129,663  
**TOTAL:** \$164,888

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is improved with a two-story dwelling with wood siding exterior construction containing 3,158 square feet of living area. The dwelling was built in 1987. Features of the home include an unfinished basement, central air conditioning, one fireplace and a three-car attached garage with 792 square feet of building area. The property has a 39,142 square foot site and is located in Hawthorn Woods, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales improved with two-story dwellings with brick or wood siding exteriors that range in size from 2,724 to 3,714 square feet of living area. The dwellings were built in 1986 and 1987. Each comparable has an unfinished basement, central air conditioning, one or two fireplaces and an attached garage with either 720 or 759 square feet of building area. These properties have sites ranging in size from 39,863 to 73,507

square feet of land area and are located within .42 miles of the subject property. The sales occurred from May 2017 to January 2018 for prices ranging from \$419,950 to \$537,000 or from \$144.59 to \$162.75 per square foot of living area, land included. The appellant requested the subject's assessment be reduced to \$159,984.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$164,888. The subject's assessment reflects a market value of \$498,452 or \$157.84 per square foot of living area, land included, when using the 2018 three-year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales improved with two-story dwellings with brick or wood siding exteriors ranging in size from 2,659 to 3,066 square feet of living area. The homes were built in 1987 and 1988. Each comparable has an unfinished basement, central air conditioning, one or two fireplaces and an attached garage ranging in size from 578 to 759 square feet of building area. The comparables have sites ranging in size from 41,451 to 44,783 square feet of land area and are located within approximately .31 miles from the subject property. The sales occurred from April 2017 to December 2017 for prices ranging from \$378,000 to \$600,000 or from \$142.16 to \$196.46 per square foot of living area, including land. Board of review comparable #2 is the same property as appellant's comparable #1. The board of review requested the assessment be sustained.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains five sales submitted by the parties to support their respective positions with one comparable being similar to both properties. The Board gives most weight to appellant's comparables #1 and #2 as well as board comparables #1 and #2, which includes the common comparable. These properties are most similar to the subject in size as well as being like the subject in location, age and features. These three comparables sold for prices ranging from \$419,950 to \$600,000 or from \$154.17 to \$196.46 per square foot of living area, including land. The subject's assessment reflects a market value of \$498,452 or \$157.84 per square foot of living area, including land, which is within the range established by the best comparable sales in this record but supported based on the differing features. Less weight was given the appellant's comparable #3 and board of review comparable #3 due to differences from the subject dwelling in size. Based on this evidence the Board finds the assessment of the subject property as established by the board of review is correct and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
