

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Alina Yakovleva  
DOCKET NO.: 18-01321.001-R-1  
PARCEL NO.: 15-21-411-022

The parties of record before the Property Tax Appeal Board are Alina Yakovleva, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$45,301  
**IMPR.:** \$163,097  
**TOTAL:** \$208,398

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of wood siding exterior construction with 3,776 square feet of living area. The dwelling was constructed in 1997. Features of the home include a basement with finished area, central air conditioning, a fireplace and a 693 square foot garage. The property has a 10,454 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within .34 of a mile from the subject property. The comparables have sites ranging in size from 11,761 to 17,860 square feet of land area and are improved with two-story dwellings of wood siding exterior construction with either 3,502 or 3,757 square feet of living area. The dwellings were constructed in 1997 or 2000. The comparables each have a basement with finished area, central air conditioning, a

fireplace and a garage with either 660 or 693 square feet of building area. The appellant submitted a Multiple Listing Service sheet for comparable sale #2. The comparables sold from November 2017 to May 2018 for prices ranging from \$535,000 to \$615,000 or from \$152.77 to \$163.69 per square foot of living area, land included. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$208,398. The subject's assessment reflects a market value of \$629,982 or \$166.84 per square foot of living area, land included, when using the 2018 three year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted a grid analysis and property record cards for the subject and four comparable sales located within .644 of a mile from the subject property. Board of review comparables #1 and #2 were submitted by the appellant as comparables #2 and #3. The comparables have sites ranging in size from 10,890 to 16,988 square feet of land area and are improved with two-story dwellings of wood siding exterior construction that range in size from 3,577 to 3,787 square feet of living area. The dwellings were constructed in 1996 or 1997. The comparables have basements with finished area, central air conditioning and a garage with either 693 or 836 square feet of building area. Three comparables each have a fireplace. The comparables sold from June 2017 to April 2018 for prices ranging from \$590,000 to \$648,500 or from \$157.04 to \$177.52 per square foot of living area, land included. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds five comparable sales were submitted by the parties in support of their respective positions, with two common comparables. These comparables are similar to the subject in location, design, dwelling size, age and features. The comparables sold from June 2017 to May 2018 for prices ranging from \$535,000 to \$648,500 or from \$152.77 to \$177.52 per square foot of living area, including land. The subject's assessment reflects a market value of \$629,982 or \$166.84 per square foot of living area, including land, which falls within the range the range established by the comparable sales in this record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence, the Board finds the appellant failed to prove by a preponderance of the evidence that the subject was overvalued and therefore, a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
